- Dr. Cindy Swartz – committee goals & portrait

# Unified School District No. 232

## Connection to Individual Plans of Study and Market Value Assets

The district's strategic plan identifies the following three Real World Learning goals:

1. ALL students will acquire and apply the knowledge, skills, and dispositions necessary for life success
2. ALL students will exercise ownership in their learning
3. ALL students will develop life-changing and mutually beneficial connections with their community and individuals in it.

# Unified School District No. 232

## Overall RWL Goals within 3-year RWL Strategic Plan:

### Implementation Year One= (2022-2023)

1. Hire Business to Education Coordinator
2. Create Portrait of a Graduate
3. Add more Internships
4. Add more Client Connected Projects
5. Evaluate IRC/badging possibilities in each CTE Pathway
6. Develop strategies to add MVA's into each students' IPS
7. Explore schools with Entrepreneurship programs

# USD 232 Portrait of a Graduate

A Portrait of a Graduate represents a school district's vision for the 21st century skills, character traits, and/or social-emotional competencies that students need to succeed in college, career, and life (Employability Skills).

The RWL Committee voted on the final Portrait of a Graduate design, which was a Client Connected project with our Graphic Design classes. **Student Reagan Roberts created the final selected design.**
