

April 20, 2022

Good Afternoon East Islip Community,

Due to popular demand, we have added several dates and revised some of the original dates for our Budget/Capital Reserve vote informational meetings.

Please mark your calendars. **Our next meeting is scheduled for tomorrow, Thursday, April 21 at 9:30 a.m.**

This is a pivotal year for East Islip as we complete our 5-year construction plan. The tax increase is .93% which amounts to approximately .19 cents per day. The capital reserve vote is to get permission from the public to spend money that we currently have on reserve to complete all necessary construction projects in the district. If the capital reserve passes it will allow us to have the capability to have air conditioning in all of our classrooms within the year, all paving of our parking lots and the RCK playground complete by next summer, completion of all our bathrooms, renovations/work at the high school music suite and auditorium and several small projects throughout the district. In short, passing of the capital reserve will complete all major construction projects until the 20-year bond cycle is up in approximately 2035.

We just need your permission to spend it. Please come to one of the following meetings to hear more and ask any questions you may have.

We would like to reiterate that the capital reserve money is money that is already held by the district.

As always, we thank you for your support. We look forward to seeing everyone!

The following is a list of Budget/Capital Reserve vote informational meetings:
