KINDERGARTEN REGISTRATION 2021

February 2021

Dear Parents:

I warmly welcome you and your child to the East Islip Union Free School District's Kindergarten program. A student's first year in kindergarten is a very exciting time. The first experience can be filled with joy, excitement and even some level of anticipation. It is my hope that the entire transition process is a positive experience for your child; please also know that there are many talented people working in our district to help make that successful transition happen.

Our district offers both a comprehensive academic program and a developmental approach to a child's social development. We believe that children entering kindergarten need time and activities to develop social skills, friendships, and cooperative interaction skills as we prepare them for academic learning.

Registration for children living in the East Islip School District who will be entering kindergarten in September 2021 is now underway. Children who are five years old on or before December 1, 2021 are eligible for enrollment. Please be advised that this year registration is a three-part process. You must complete an online application, submit your supporting documents and then have a telephone conference to finalize the process. Please see the instruction page attached for additional information regarding the process.

Your child will be assigned to a kindergarten class in his/her home zoned school based on your permanent address, unless your child requires a special program that may not be offered at his/her home school. Nonetheless, I feel confident that your child will be provided with a terrific first-year experience. Please contact Central Registration at (631) 224-2043 if you have any additional questions relative to Kindergarten Registration.

As a district, we greatly value your support and hope that this is the beginning of a truly wonderful school experience. We know that working together we can help each of our newly registered East Islip kindergarteners grow into successful learners!

Sincerely,

Mr. John V. Dolan
Superintendent of Schools

REGISTRO DE KINDERGARTEN 2021

Febrero de 2021

Estimados padres:

Le doy la bienvenida a usted y a su hijo(a) al programa de kindergarten del Distrito Escolar de East Islip. El primer año de un estudiante en el jardín de infantes es un momento muy emocionante. La primera experiencia puede estar llena de alegría, emoción e incluso algún nivel de anticipación. Espero que todo el proceso de transición sea una experiencia positiva para su hijo(a); por favor también sepa que hay muchas personas talentosas trabajando en nuestro distrito para ayudar a hacer que esa transición exitosa suceda. Nuestro distrito ofrece un programa académico integral y un enfoque de desarrollo para el desarrollo social de un niño. Creemos que los niños que ingresan al jardín de infantes necesitan tiempo y actividades para desarrollar habilidades sociales, amistades y habilidades de interacción cooperativa a medida que los preparamos para el aprendizaje académico.

La inscripción para los niños que viven en el Distrito Escolar de East Islip que ingresarán al jardín de infantes en septiembre ya está en proceso. Los niños que tienen cinco años de edad en o antes del 1 de diciembre del 2021 son elegibles para la inscripción. Tenga en cuenta que el registro de este año es un proceso de tres partes. Debe completar una solicitud en línea, enviar sus documentos justificativos y luego tener una conferencia telefónica para finalizar el proceso. Consulte la página de instrucciones adjunta para obtener información adicional sobre el proceso.

Su hijo será asignado a una clase de jardín de infantes en su escuela de zona de origen basada en su dirección permanente, a menos que su hijo requiera un programa especial que no se pueda ofrecer en su escuela de origen. Sin embargo, estoy seguro de que a su hijo se le proporcionará una excelente experiencia de primer año. Comuníquese con la oficina de Registración Central al (631) 224-2043 si tiene alguna pregunta adicional relacionada con el Registro de Kindergarten.

Como distrito, valoramos enormemente su apoyo y esperamos que este sea el comienzo de una experiencia escolar verdaderamente maravillosa. Sabemos que trabajando juntos podemos ayudar a cada uno de nuestros recién registrados kínderes de East Islip a convertirse en estudiantes exitosos.

Sinceramente,

John V. Dolan

Superintendente de Escuelas

Kindergarten Registration Instructions

Please be advised that registration is a three-part process. First, applications must be completed online. Second, after your application is submitted, you will receive an email advising you of how to submit your required supporting documents. Third, once all of the required documents are received, there will be a telephone conference to finalize the registration process.

Please be advised that ordinarily the District would require you to submit your documents in person and review your information on-site. Due to the COVID-19 pandemic, this year we are foregoing the in-person portion of the registration process. Please see PART TWO and PART THREE for further information.

ALL REGISTRATIONS MUST BE DONE BY AN EAST ISLIP SCHOOL DISTRICT RESIDENT PARENT OR LEGAL GUARDIAN ONLY. STUDENTS CURRENTLY ATTENDING THE UNIVERSAL PRE-K PROGRAM OR WHO ARE RECEIVING OR HAVE PREVIOUSLY REGISTERED FOR CPSE SERVICES ARE REQUIRED TO REGISTER FOR KINDERGARTEN.

If you do not have computer access, please call ahead to schedule an appointment to come to the Administration Building and complete your online application using our on-site computer.

PART ONE

Online Application Process:

If you have an existing portal account (currently have a child/children attending an East Islip Public School in grade K-12):

Log in to your portal account and click on Online Registration in the left menu

If you do not have an existing account (first child entering the District as a full-time student):

Use this link: <https://eastislipny.infinitecampus.org/campus/OLRLoginKiosk/eastislip>

*Please note: When submitting your online application, please select the appropriate "Registration Year" (21-22).

We encourage you to please submit your online application by March 5, 2021 so that we can proceed to the next steps as timely as possible.

IMPORTANT: Once your application has been submitted, you will receive an email with further instructions on how you will be able to submit your required documents (Part Two).

(TURN PAGE OVER)

PART TWO

Document Submission Process:

After your application is submitted, you will receive an email (the one used when the application was submitted) along with a separate attachment listing the documents/additional forms you are required to submit and how to submit them. The documents will be submitted electronically either via email or fax. You are also welcome to return the documents by regular U.S. postal mail. If you are unable to send your documents in any of the methods requested, a special appointment can be made for you to come in person. Please understand that we are trying to limit in-person contact and are encouraging everyone to send the documents either electronically or by mail. Once all of the required documents are received, we will proceed to Part Three.

Please be aware that ALL of the documents/forms have to be submitted in order to proceed to Part Three.

PART THREE

Telephone Conference:

Once all of the required documents are received, you will be contacted to have a telephone conference to review the application and finalize the registration. Please be advised that since the telephone conference is in lieu of the usual in-person meeting, it must take place with the parent/legal guardian who is registering the child(ren). This is due to the confidentiality of the child's information.

We are still facing difficult times and are doing our best to facilitate all registrations in a safe manner for everyone. We thank you in advance for your patience during this unique process. We will communicate with you as quickly as possible to ensure your child's registration is complete.

For questions regarding the registration process or required documents, please call Alexis Ricci, District Registrar, at 631-224-2043. For technical support with the online portion of the registration process please call our data department at 631-224-2081.

We look forward to welcoming you to the East Islip School District. Thank you.
