September 2020

Dear Parents/Guardians and East Islip High School Students,

It is our pleasure to welcome you to the East Islip High School for the 2020-2021 school year. We look forward to working in cooperation with students, parents and faculty in maintaining the high level of academic excellence that has become the hallmark of East Islip High School. We are committed to providing you with outstanding academic challenges while keeping us safe during these difficult times.

First Day of School

School begins on **Tuesday, September 8, at 7:10 a.m.** with an “A” day schedule. We will be following our regular bell schedule posted on our webpage.

Arrival/Dismissal

Our arrival and dismissal procedures have not changed. We have an additional entrance on Spur Drive.

Daily Health Form

Everyday students must report to the East Islip High School with a Student Daily Health Screening Form signed by their parent/guardian. Students will submit this form as they enter the building. Students who do not have this form upon entry will be screened by school personnel. This form can be found on our website.

Campus Support

If any issues arise, students can seek assistance from their designated administrator. As a reminder, students in Grades 9 & 11 are assigned to Mrs. D’Aversa, and students in Grades 10 & 12 are assigned to Mr. Seifert.

Student Schedules

Your schedule can be viewed and printed from the Infinite Campus Portal.

Please be reminded that the high school campus is a closed campus. Only those students with a shortened schedule will be permitted to leave the building before 1:47 p.m. All other students will be required to stay in the building for the entire school day.

Please call the guidance office if you have any questions regarding your class schedule. The guidance office can be reached by phone at (631) 224-2006 x 6701 or 6702. Your school counselor assignment is listed below.

- The “virtual day” will be a period by period schedule. Students will engage in academic support time with whole class opportunities. Attendance is mandatory and will be recorded each period.
- Students in self-contained special education programs will attend Monday – Friday since class size is small enough to socially distance without creating separate cohorts.
- ICT students will attend school Tuesday – Friday.
- Special education services such as RR periods of instruction will be provided remotely and in person to the extent possible when student is in attendance.
- All special education programs and services will be delivered according to the student’s IEP to the extent possible while in school and or remotely.
- Entering and Emerging ELL students will attend four days in-person instruction.
- Remote students will log on daily period 2 at 7:54 for attendance purposes using Google Classroom. After, they can then access their assignments via Google Classroom for the remainder of the day. Although this modality allows for flexibility, students are encouraged to follow their respective schedule to maintain a consistent routine and daily structure.
