The East Islip School District will be holding a Public Forum on Monday, **August 10th from 3 pm to 9 pm** in the ECC cafeteria. The purpose of this forum is for us to listen to your thoughts and opinions as they pertain to reopening schools and our plans.

People will speak on a first-come first-serve basis. Seating in the room will be limited to 20 people. Once you have spoken, you will exit the building so someone else can enter the room in an effort to give as many people as we can an opportunity to speak.

You can enter the ECC cafeteria via the cafeteria door on the side of the building which will be plainly marked for entry. The chairs will be socially distanced, and wipes will be available. A nurse will be at the entry door to take temperatures and you will be required to complete a COVID-19 Health Screening form prior to entering the building. Thank you.
