Kindergarten Screenings

Dear Parents/Guardians of Kindergarten Students,

As you are aware, we will not be able to conduct Kindergarten screenings as previously scheduled due to the pandemic. Therefore, the screenings will be postponed until further notice.

Your child's building principal will be mailing to you Kindergarten information the week of June 12 for the 2020-2021 school year, as well as a brief survey to gain more knowledge about your child. Please complete the survey and return to your respective building principal by July 1.

As always, if you have any questions, please feel free to contact your child's building principal or myself. We look forward to seeing your child soon to begin their education at East Islip School District.

Sincerely yours,

Paul E. Manzo
