KINDERGARTEN REGISTRATION 2020

January 2020

Dear Parents:

I warmly welcome you and your child to the East Islip Union Free School District's Kindergarten program. A student's first year in kindergarten is a very exciting time. The first experience can be filled with joy, excitement and even some level of anticipation. It is my hope that the entire transition process is a positive experience for your child. Please know that there are many talented people working in our district to help make that successful transition happen.

Our district offers both a comprehensive academic program and a developmental approach to a child's social development. We believe that children entering kindergarten need time and activities to develop social skills, friendships, and cooperative interaction skills as we prepare them for academic learning.

Registration for children living in the East Islip School District who will be entering kindergarten in September 2020 is now underway. Children who are five years old on or before December 1, 2020 are eligible for enrollment. Please be advised that registration is a two-part process. You must first complete an online application and then come in person to submit your supporting documents. Please see the instruction page attached for additional information regarding the process.

Your child will be assigned to a kindergarten class in his/her home zoned school based on your permanent address unless your child requires a special program that may not be offered at his/her home school. Nonetheless, I feel confident that your child will be provided with a terrific first-year experience. Please contact Central Registration at (631) 224-2043 if you have any additional questions relative to Kindergarten Registration.

As a district, we greatly value your support and hope that this is the beginning of a truly wonderful school experience. We know that working together we can help each of our newly registered East Islip kindergarteners grow into successful learners!

Sincerely,

Mr. John V. Dolan
Superintendent of Schools
