Dear Parents,

I want to take this time to thank our 8th grade students for what they have done over the last three years. Our 8th grade students have performed well in the classroom. They have met teacher expectations and excelled to high levels. Many of our 8th graders were involved in extra-curricular activities where they competed in games, meets, Science Olympiad events, math challenges, etc. They have also believed in our mission statement and have given their time and energy in serving others through generous service projects. Therefore, on behalf of our staff at Mill Creek, we thank your 8th grade children for what they have done for our school. We wish them nothing but the best as they enter high school next year.

We want to recognize our teachers and staff who will not be returning next year. Please help me in wishing them the best of luck.

Dottie Burns, Elizabeth Crainshaw, Miranda Hoit, Kristen Hopkins, Jerald Schenk and Sheri Tennis.

We appreciate all they have done for Mill Creek.

Josh Kindler
Principal

From the Nurses Office

Email Your Shot Records!

ALL incoming 7th graders must have a TDaP (tetanus booster shot) and a meningitis shot. Your shot record may say meningococcal, MCV, MCV4, MCV40, MCV4P, Menveo or Menactra. All of these will meet the new requirement.

Mill Creek Middle School MUST have proof of the meningitis vaccination (or a valid vaccine exemption) BEFORE the first day of school.

YOUR CHILD WILL NOT BE ALLOWED TO START SCHOOL WITHOUT IT!

Vaccinations can be obtained at your child's doctor's office, most pharmacies (like CVS and Walgreens) as well as the Johnson County Health Department.

Once school is out, please EMAIL those records to the school nurse at bcarroll@usd232.org

THANK YOU to those parents who have already sent in records!

MUSTANGS

Bulletin Board

Congratulations to Gracie Smith for her outstanding Rock, Paper, Scissors mixed media project! Her art work will be framed and on display at the district office until her high school graduation. Way to go Gracie!

Many thanks goes out to all of the many other artists that have their art on display at the district office through the summer. It is an outstanding show representing 6th & 8th grade with 2d and 3d pieces. Please check the districts summer hours before heading out to view the work. Work will be returned late September or early October.
