Message from Mr. Legler

Welcome to the 22-23 School Year! Welcome all our new Mustang families and to all families returning. Thank you for entrusting us once again with your children. I am honored to be your new principal and part of the Mill Creek family.

What an amazing first week of school we've had! Each morning students have been greeted with smiles from friends and staff. In education we talk a lot about the importance of building strong relationships between our teachers and students; there is clear evidence to support that strong relationships between home and school is a key factor in increasing student achievement.

Thank you to all of you for sharing your students with us. We are so grateful and appreciative of all that you do for us and your children. It is going to be a wonderful school year!

Sincerely,
Andrew Legler
