MCMS Parent Survey

MCMS Families,

The annual School Climate survey opened earlier this week. The feedback parents and guardians provide will assist us in making improvements, as well as identify future considerations for district objectives and goals.

The voluntary School Climate Survey, created by the U.S. Department of Education, asks parents about the environment of the schools in which their students attend. We want to know your opinions about the climate, including the safety, discipline, and environment for learning for your school(s). The survey is anonymous and should take about 15 minutes to complete. You may complete a survey for each student you have in the district. Each building has a separate link, so anonymous feedback will be tied to a particular school. The link for Mill Creek Middle School is:http://www.bbyt.es/EM7NV

The parent school climate survey will be open February 8-16. Thank you for your time and feedback.

Mark Your Calendars Now For Important State Assessment Dates!

We are entering the time of year where students take the Kansas State Assessments. Please review the dates below and mark your calendar. It is important that students are in attendance on these days to avoid missing instructional time to make up assessments.

- ELA Assessment: Grades 6-8: March 27-28
- Math Assessment: Grades 6-8: April 10-11
- Science Assessment (Grade 8): April 19-20
