Message from Mr. Legler

Thank you for the time we were able to share together last week in parent/teacher conferences. This communication between home and school is one of the strongest contributing factors to improving student progress during the school year. While some do not participate in Spring conferences because there may be no major concerns, we still welcome the opportunity to meet with families to discuss their child's progress. If you were unable to attend a conference last week, especially with the Chiefs parade and changes of schedules, please do not hesitate to reach out to any of our teachers for an update on how your child is doing.

Lastly, another huge shoutout and THANK YOU to our amazing Mill Creek PTA for providing meals and snacks for our staff during conferences!

Go Mustangs!
