Our Connections Class visited Deanna Rose Farmstead last week. They had a great time!

**Please make sure your child has turned in all of their library books!!!**

**CONGRATS TO OUR MILL CREEK TWO-TIME WINNER!**

MRS. KAYLA SOUTH - 6TH GR. MATH TEACHER

Please join us in congratulating our TWO-TIME AWARD WINNER, 6th gr. Math teacher Kayla South! On Wednesday this week we had a special surprise visit from Superintendent Dr. Harwood and multiple admin from district office to recognize Mrs. South as the recipient of two separate awards: the “Making a Difference” Award and “Horizon Secondary Nominee” Award. Mrs. South has come to Mill Creek in her first year of teaching and done an amazing job. It is quite an honor to be recognized and appreciated by so many that see the good things happening in her classroom. Mrs. South has shown the work ethic of a veteran and above all has shown that building positive relationships with her students and families is top priority. Congratulations Mrs. South! You have made Mill Creek proud!

# Athletics/Activities

Summer Camp Opportunities are starting to roll in. Below is the calendar for camps at MCMS. Be sure to check the WEBSITE for camps at MCMS, DHS and MVHS. Check back often!

**GO MUSTANGS!**

FALL SPORTS WILL BEGIN AUGUST 14TH
Be sure to watch the MCMS Website over the summer for all details on fall sports!

**2023-2024 MCMS**
**Health Conditions and Medication**

De Soto School District nurses will develop individualized healthcare plans for students diagnosed with but not limited to asthma, severe allergies, seizure disorders and diabetes. The individualized healthcare plan will be developed through collaboration between the diagnosing healthcare provider, the parents/guardians, the student, and the school nurse. Parents/guardians will provide the school nurse orders from the diagnosing healthcare provider, discuss the student's current health and management, and provide all necessary supplies for management. When developing the individualized healthcare plan, the school nurse will take into consideration the age of the student, the date of diagnosis, and the student's self-management skills for independence in care.
If necessary, the school nurse will request the parents/guardians to fill out an appropriate health intake form to develop the individualized health care plan. You can find these health condition intake forms on USD 232 Health Service website; Asthma Asthma Health Form, Severe Allergies Severe Allergy Health Form, Seizure Seizure Health Form, Diabetes Diabetes Health Form

If your student requires *prescription medication during school hours,* the MCMS nurses will work closely with you to set up individualized plans. *All prescription medication* will need a providing doctor signature. The prescription medication form is found on the USD 232 Health Service Webpage; Health Medication Form, Medication Self Administration Form

If your student has a need for one or more of these individualized healthcare plans, please send those forms to your nurse ASAP. Nurses will have a significant amount of data entry for fall 2023. Therefore, the sooner we can get started, the better. Thank you for your help!
If you have any questions, please contact MCMS nurses at MCMSNurses@usd232.org, FAX (913) 422-9229 or call (913) 667-3512, option 2.

Thank you for allowing us to keep your Mill Creek student healthy and safe.

Thanks,
Ariana Vasquz BSN, RN
Maddy Faddis BSN, RN
Natalie Shultz BSN, RN

Parents - we need your help!
Please help your child check their account prior to lunch to ensure they have enough money to purchase doubles or ala carte items. This is done by logging into Skyward.

Are you familiar with our district charging policy? Click the link HERE.

***Our lost and found is GINORMOUS! We will be making a donation of all materials on 5/25/2023. Please make sure your child has all their belongings, hoodies, water bottles, shoes, etc before the school year ends!***
