MCMS Families,

In education, we are always working on building relationships with the members of our community; students, parents, and even amongst our own staff. It is a vital component of what we do in order to ensure that our students are successful. It is not easy though! It takes grit and dedication for everyone involved. I love this picture I saw on social media- it speaks to all of us as members of our Mill Creek community. As they say, “it takes a village!”

Have a wonderful 4-day weekend!
