Principal's Message: The Finish Line is in Sight!

MCMS Families,

It is hard to believe that we are in the final stretch of a very successful 2022-2023 school year. Our students have grown exponentially this year and we know this will continue. As we get closer to the end of the school year, our students and staff will continue to work hard as we approach the finish line. We will maintain our expectations of responsibility, accountability, and kindness until the final bell on the last day of school rings. Your encouragement and reinforcement to uphold these expectations is crucial to our success. As always, we appreciate your support!

Go Mustangs!
