**TRIP PARTICIPANT REGISTRATION INFORMATION**

Please read the following information carefully about registering for your upcoming trip. **Registration is MANDATORY and must be completed before being allowed on the room list.** We ask that the *student's parent/guardian complete the registration*, so they are fully informed.

Make sure to click [Read More](#) on the "About this Trip" page if the page does not expand automatically. You will find information about Travel Protection, our Cancellation Policy and our Terms and Conditions. *You will need to acknowledge these sections in your registration process.*

We realize that the cost of your trip is a significant investment. Therefore, **ETI recommends that you consider purchasing Travel Protection.** Please see links to view the *Student Deluxe Brochure* and the *Full Plan Document* for details on the "About this Trip" page during your registration process. *(Some exclusions are not covered unless you purchase travel protection within 14 days of your initial trip payment/deposit.)* A link to purchase Travel Protection is found when registering for your trip, or you can use this link:
