

Mize Elementary Birthday Book Club

Dear Parents,

In honor of your child's birthday parents are offered the opportunity to commemorate the day by **donating** a birthday book in your child's name to the Mize Elementary Library. If you are interested please complete the information below and return it to the school office with a \$15.00 check per child, payable to Mize Elementary. Forms and checks are due with your registration packets. We have a nice selection of birthday books processed and ready for your children. We add to our birthday book selection throughout the course of the year.

All birthday books will be commemorated with a bookplate stating the child's name, birthday, and year donated.

Thank you very much for participating in the birthday book club. This provides a steady influx of new books into our library.
