We are moving and will not be in the Gallia County Local Schools' district next year

As a parent, I do not feel this is the best placement for my child at this time

Student has lost interest in the gifted program. (If you care to let us know why, indicate)

 Student's classroom work/concepts missed at school was hurting my child's grade/ learning in a specific class(es) _____ as a result of missing one day per wk

Student was having trouble socially/emotionally adjusting and transitioning to the pull-out resource program and acclimating to the new setting in the pullout resource room

Student has become so involved with the school's specials & or extra-curricular activities (music, PE, art, clubs, sports, band, etc.) that attending gifted service took time away from these classes/interests

The work load between the gifted resource room and classroom(s) were too much and difficult for child to handle

Withdrawal Policy: if at anytime, a student wishes to withdraw from gifted services, the request form can be obtained from gifted coordinator or school office. Written withdrawal form from the parent needs to be sent back to Gifted Director, Sandra Plantz, Gallia County Local Schools, 4836 St. Rt. 325, Patriot, OH 45658. A copy will be sent to school child is enrolled for file. If a child and parent wish for return to services, parents must complete a written request and referral form and send it to gifted coordinator by May to be considered for the following year. Student will be considered again, but along with all of the other new referrals, so return placement is not automatic.
