A MESSAGE FROM OUR PRINCIPAL

School breakfast and lunch are now FREE for BVSD students. Other important cost savings available for families who qualify and complete the Free and Reduced Lunch Application

Each student will be allowed one complete breakfast and one complete lunch for free every day. In order to receive them for free, students must take an entire meal. For example, taking only a yogurt at breakfast or a piece of fruit at lunch would not be free.

Lunch includes an unlimited salad bar. Second entrees and a la carte items (like sides of fruit, salad bar, or milk WITHOUT a full lunch) must still be paid for. Students who would like to purchase those items can still use available meal account funds.

Even though lunch is now free, it is still very important that families complete the free and reduced meal application, as it waives and reduces fees district-wide for families, can impact transportation for some families, and impacts important funding for individual schools.

It also qualifies families for a 50% reduction in Lifelong Learning tuition, and waived tuition for BVSD Online classes (excluding the \$50 registration fee). Child

Care families will continue to apply for financial assistance through the Child Care Assistance Program (CCAP).

Visit the [Free and Reduced Price Meals webpage](#) for information on applying for free or reduced meals or contact your school directly.
