TTSD students have the responsibility to respect the rights of others, seek help when they know about a wrongful act, and resolve disputes peacefully. All major decisions that impact our students are made in partnership with our students and families.

Our district strives to provide world-class experiences exposing our students to innovative learning in state-of-the-art buildings delivered by best-in-class teachers. We recognize that we can only do this work in partnership with our community. We are grateful for the life-changing assistance we receive from our volunteers, businesses, civic groups, faith communities, and countless others.
