

Member Benefits Go Beyond Your ID Card

Our Suite of Member Tools Gives You Access to More.

As the nation's leading provider of dental insurance with the largest nationwide network, we are proud to call you a member.

We're also excited to offer you more of what you want from a dental benefits plan, including ways to securely access your information. Whether you're looking for plan information, updates on benefits or timely educational information, we have the online resources you need to get you there.

Access Your Member Account Tools

Once you've registered for an online member account, you have access to important, real-time plan information including:

Claim Information

Review specific claims, reimbursements, payments and estimates. You can also print a copy of your Explanation of Benefits (EOB) and sign-up for paperless delivery of EOBs.

ID Cards

Request or print a copy of your ID card.

Eligibility

Find current eligibility for you and your dependents.

Up-to-date Benefit Information

Review your specific benefits, including your network program type.

Signing up is easy.

Visit [DeltaDentalMO.com/Members/Register](https://www.DeltaDentalMO.com/Members/Register) and set-up your account for complete member access.

More Helpful Resources for You

Find even more ways to get connected online to the information you want.

Find a Dentist

When you need to find a dentist, check our online directory. You can easily find the perfect dentist for you and your family based on specialty, plan and location.

Health Information, Tips and Resources

Our online resources offer you a variety of health topics, wellness tools and much more. There are many to choose from including:

Mobile app

Schedule an appointment or access plan information anytime and anywhere you need it.
