

## LADSBS Clubs 23-24

Club	Advisor	Weekday	Brief Description
Coding Club	Ms. Warren	Tuesday	Coding Club is an opportunity for kids to explore the world of computer coding at their level. Students use activities from <a href="http://code.org">code.org</a> to develop critical thinking and problem-solving skills. They will learn how to use block code to create online games, art, and stories and see how small coding steps add up to programming an action to occur. We will use our learned coding skills to program robots and play coding games.
School Newspaper (4th and 5th grade only)	Ms. Runfolo Ms. Abbriano	Tuesday	In the school news club 4th and 5th grade students will research, write, report, edit and produce LADSBS news videos and newspapers. They will report on topics such as the weather, the lunch menu, sports, and other current events. Students will learn how to report both on camera and behind the scenes. If you are interested in researching and writing, this club is for you!
Movie Maker Club	Mrs. Palmaccio	Tuesday	Calling all movie lovers and creators! In the Movie Making Club we will learn how to construct stop motion movies, commercials, plays, lip sync battles, and interviews with sound effects. Students will produce their own movie scavenger hunts, show their talents, and much more using Flipgrid!
Physical Education Club 1	Ms.King	Tuesday	During Physical Education Club, students will have the opportunity to gain extra physical activity outside of P.E. class. This club promotes physical fitness and teamwork through fun and competitive activities.
Physical Education Club 2	Mr. Plate	Wednesday	During Physical Education Club, students will have the opportunity to gain extra physical activity outside of P.E. class. This club promotes physical fitness and teamwork through fun and competitive activities.
Yoga Club (10 students)	Ms. Brenner	Tuesday	Find your inner peace through our yoga/mindfulness club this year! From learning yoga poses to visual meditations, students will learn that so many of the answers to tough situations can be found within.
Fashion Club	Ms. Famiglietti	Tuesday	Fashion Club will give students an insight into the fashion industry and the roles of a designer. Participants will learn to create mood boards, design garments on croquis, construct a pattern and hand sew. We will also explore accessory design and fashion forecasting during our weekly meetings. If you think you have what it takes to be the next fashion icon, this is the club for you.
Trivia Club	Mr. Mas	Tuesday	In Trivia Club, students will be able to answer a variety of different trivia questions to gain points each week. Students will have their points carried over each week until the end of the month, where we find out our top 3 "Trivia-Masters". This club is all about having fun, making friends, and learning some cool facts along the way!

## LADSBS Clubs 23-24

Club	Advisor	Weekday	Brief Description
Kindness Club	Mrs. Mock	Wednesday	Kindness is contagious! In Kindness Club, students will work together to spread kindness to LADSBS, family, their friends and community. Students will participate in projects that show appreciation through crafts and technology. Students will be challenged to set a goal and see how many acts of kindness they can complete, and witness.
Sign Language Club	Ms. Fiore	Wednesday	In Sign Language Club, students will learn an alternative, but fun, way of communicating! By incorporating hand signals, facial expressions and body language, students are going to learn how to communicate with individuals who are hard of hearing or deaf without using words. We will also dive into learning about the deaf culture and the importance of demonstrating understanding, patience, and kindness in the deaf community.
Writing Club	Ms. Bray	Wednesday	In Writing Club, each student will be given their very own "bare book" to fill with ideas! Students will be encouraged and guided as they collaborate with each other and the teacher in choosing genres and deciding on the length and purpose of their pieces. Having fun with words and each other is our #1 priority in Writing Club!
Lego Club 1	Mrs. Hoffmann	Tuesday	In Lego Club, students will explore and design their own Lego model and if desire; students can share their design with friends. Students will also get the opportunity to participate in a daily Lego challenge. Lego club encourages children to learn & be creative while having fun!
Lego Club 2	Mrs. Hoffmann	Wednesday	In Lego Club, students will explore and design their own Lego model and if desire; students can share their design with friends. Students will also get the opportunity to participate in a daily Lego challenge. Lego club encourages children to learn & be creative while having fun!
Paleontologist Club	Ms. Fradua	Wednesday	The Paleontologist Club gives students the opportunity to share their passion and knowledge of dinosaurs with peers. We will engage in a variety of interactive dinosaur discovery and creation activities. Students will also learn new dinosaur facts through virtual trips and interesting dinosaur books.
Service Club	Ms. McCann	Wednesday	In Service Club we will be participating in and running events and activities that help give back to our community. Some of the events have become annual occurrences, such as our Give Back Day and Clean Up Day, and others will be generated from ideas from our members to meet any current needs or interests of our community and members of the club.
