Our Spirit Shows

AURORA

1983-1984

Volume XXIV

Incarnate Word Academy

Corpus Christi, Texas

The school year 1983-1984 was a year filled with spirit, spirit not only apparent at pep rallies or games, but in our everyday lives. The students of Incarnate Word show their spirit daily by participating in all activities. Various activities throughout the year included weeks

designated for special observances, service projects, masses, dances, assemblies, pep rallies, and class work. All of these activities led to a year filled with enjoyment and memories treasured by all.

To have an activity, there has to be spirit . . . and we've got it! Our spirit shows with every turn around each new corner. Each time you see us we show our spirit, whether it be through class participation or special activities. We join together as one, bringing us to opened doors, greater accomplishments, and an air of greatness.

Welcome Week is a special I.W.A. tradition usually held during the first or second week of school. This year's theme was "Bien Venidos Nuestros Amigos" which in English means, "Welcome to Our

Friends". The Student Council planned a Mexican Dress-Up Day, a Red and White Day, a Mass, and the traditional Welcome Week Dance to wind up the week's festivities.

Fall Activities Send Spirit Soaring!

Fall was a busy time of year for the Angels. Of course, when a school is as spirited as ours, any time of the year is a busy one.

Again spirit was the dominant force behind this year's fall activities; from the first pep rally to a school-wide Mass on the Feast of the Immaculate Conception. On October 28, IWA students "dressed in full form" and flocked to the MPB for the YO Halloween dance. Who can forget Ben Supnet who dressed as Ghandi to win the Halloween dress-up contest?

On November 11, the Mighty Seniors of '84 proved their might by annihilating the faculty in a volleyball tournament held during the Fine Arts Club Game Night. The faculty put forth a valiant effort, but the Seniors dominated, winning 21-16, 21-17.

Nov. 22 was the date — the gym was the place — as the Angels showed their enthusiasm at the first pep rally of the year. Included at the pep rally were the first NHS inductions, and the brilliant performance by the Highlighters to the song "Eye of the Tiger".

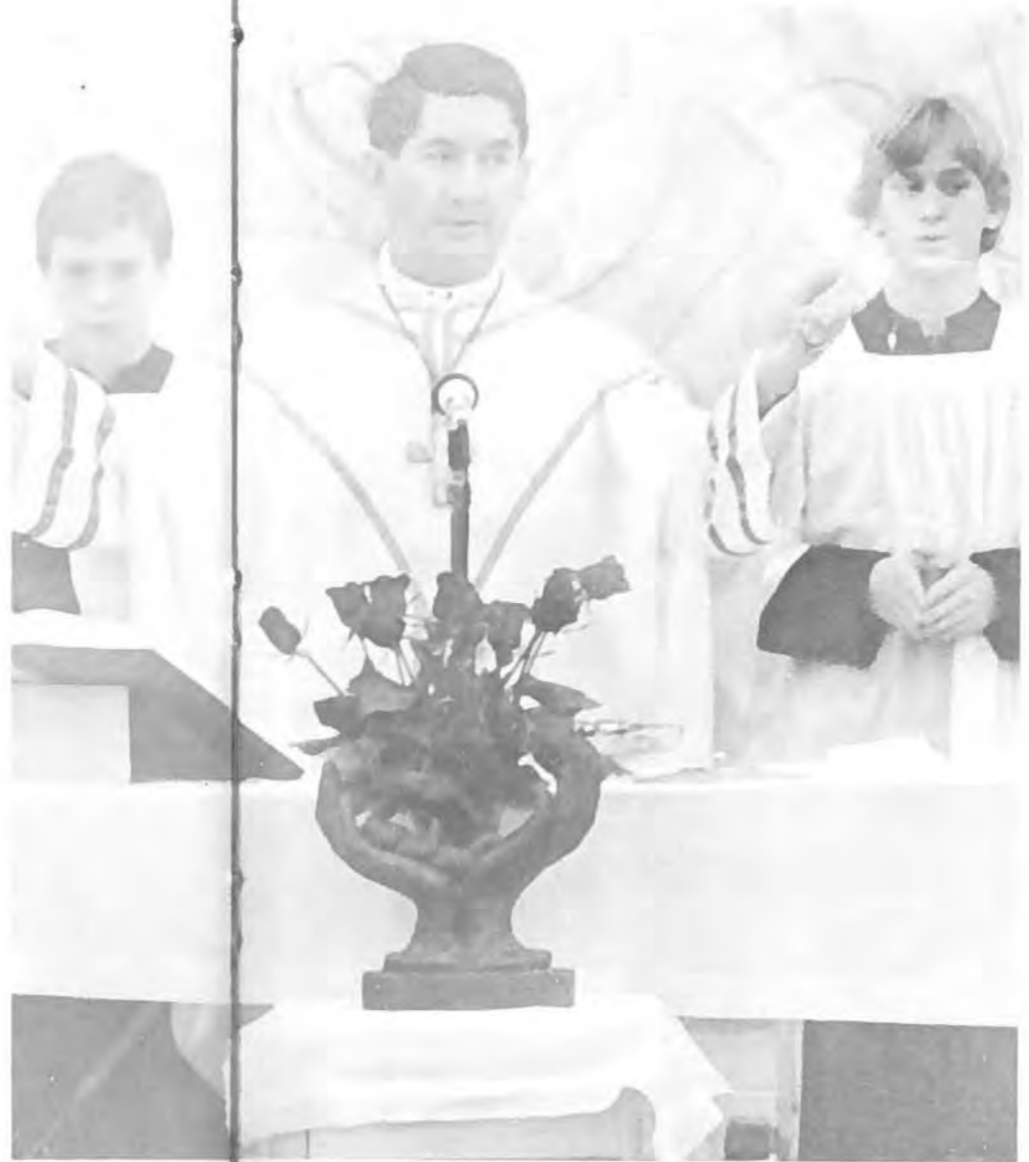

Then, finally, the main event of the season — Homecoming. The Angels lost a close game to King, 77-70. Following the game, students wandered into a "Sea of Treasures," the theme of this year's Homecoming dance. Reigning as Queen of this year is Zan Mikkelson. Court consisted of: Princess, Tricia Lyles; First Duchess, Belinda Cantu; Second Duchess, Monique Manuel; Third Duchess was Amy Stengel.

FACULTY

Sister Martha Through the Years

Our Principal, Sister Martha O'Gara

Sister Martha was born in County Sligo, Ireland. She always had the desire to become a sister with the unexplainable call of God leading her desire. In 1949 she entered the convent and made her final in 1951. Sister Martha attended Del Mar, St. Edwards' University, and Texas A.&I., receiving her B.A. and M.A. degrees. Since then, she has taught for 33 years. She has been with Incarnate Word for 11 years from 1973-1984 and has a total of 17 years being principal. Now, she has been elected to serve as Superior General of I.W.B.S.

In what spare time she has, Sr. Martha enjoys reading, doing needlework and listening to music. Her plans for the future are to continue being attentive to God's call and to serve Him where and when needed. She also plans to do all she can to lead the I.W.B.S. sisters in the same faithfulness. As she finishes her tenure as principal, Sr. Martha says, "Thanks to all for the ways you have enriched my life the past 8 years."

F.E.S. Students practice professional consumerism

**CONSUMERISM CRAZE HITS
F.E.S. CLASSES!!**

Of course, the '84 seniors have already proven their capability to deal with whatever the world challenges them to. Ms. Miller's F.E.S. classes proved their interest in the world of economics by evaluating everyone's favorite product — ICE CREAM!!! Testing criteria included flavor, color, and texture, which were rated on a scale of 1-5, 1 being the best. The ice cream was also compared economically to see which was the best buy.

The F.E.S. Consumer Reports results? Fruesenglase was the best tasting while Borden was the most economical.

GETTING IN TOUCH WITH THE FUTURE — THE IWA WAY!

This year, IWA is definitely where the computers are, thanks to the purchase of 12 new TRS — 80 model 4's, 3 printers, and 2 modems. Designed basically for seniors, the Data Processing program allows students to come in contact with these machines of the future.

Besides the TRS — 80's, printers, and modems, a smoke eater was purchased to keep the "computer room" free from dust and to keep its atmosphere controlled. Also added was a transformer to control power surges from the machines.

In teacher Mr. Mulligan's opinion, computer knowledge in the working future is "more than necessary: essential!" Now, IWA offers seniors the chance to become familiar with the much-in-demand skills.

TRYING TO KICK THAT 12 YEAR HABIT!!!

CAUTION!! Did you know that school is habit forming? Well, even so, the '84 seniors will be kicking that habit. Most will be glad to do so. It will be "out with the old" and "in with the new" as new and exciting plans will be made for college, jobs, and so forth. Many seniors share concerns about what the future will hold for them, but the general concensus is the same — we're going to give it all we've got!!

We may suffer withdrawal symptoms for a while — a 12 year habit can be hard to break! We'll have to leave friends, family, and others we depend on to go out on our own. **HOWEVER**, we've got the determination to get through any obstacles that may come our way. That's what the '84 seniors are most famous for!!!

Personalities . . .

What has made this year such a memorable one? US, of course! And what makes US so memorable? Why it's our bright, bubbly personalities!

It's our variety of personalities that makes the seniors of '84 so unique. From the class comedian to the studious valedictorian, we all played an important part in making our final high school year one to remember. SO — we've compiled a cross-section of "senior personalities" that will live on long after we seniors go our separate ways.

JUNIORS

The Day Will Soon Arrive When We Will be the Seniors of '85

Being a Junior, what's it like? It's being "middle of the road." It means the one more year to wait before we're officially installed as the Mighty Seniors of 85!!"

Being a junior has its ups and downs. It's being prepared to take the infamous S.A.T. and all the authority.

It's being the official sponsors of the Junior Senior Prom. It's all the hard work and lots of laughs. It's fearing for the S.A.T. results and tons of cheering for the '84 State Angels."

Along with being juniors comes the academic responsibilities of a rather tough year. Remember all the Algebra II homework? Or how about the time we rocked the Chem lab during 4th period? Poor 'Ol Doc Nier.

So, when we're old and gray, we'll reminisce about yesterday. Those yesterdays not so long gone by when we were the Juniors of '84.

There are memories that are not listed in this copy. These are the dear ones that are held in the best place of all — the heart.

What is a Sophomore?

What is a Sophomore? It's really kind of hard to tell. When you are a Freshman, you are the new kid in town. A Junior is just beginning to take over the school, and a Senior is the Big Man on Campus. But a Sophomore, well, a Sophomore is just . . . there, wandering mindlessly around the school. They can't go for off campus lunch, they can't use the down stairs bathroom. If they do, they get thrown out. About the only things they can do are: join the Sophomore Girls' Club, join the National Honor Society, and go to Y.O. But cheer up Sophomores . . . soon you'll be Juniors!!!

We're the Class That's

Really Shredding

Being a Freshman . . .

Being a Freshman can really be a bummer,
Especially when you have to read all summer.
Seniors give you all kinds of weird looks
And then some people steal your books
You ask for help to find a room,
This could really seal your doom
Walking and walking, trying to find it,
Sr. Martha yells at you and you become quiet
You tell how you were looking for a room,
Then she says you better find it soon.
When you finally find it and stray in,
The teacher has a little present awaitin'.
You sit down and don't know what's going on,
The teacher yells it's your fault for being gone.
All this and much, much more
Are part of the everlasting horror
That starts us on our journey from children to man
Called FRESHMAN.

I.W.A. Trends of '84

The trends of 1984 range from the unique to the bizarre. Many of these fads can be found here at Incarnate Word Academy.

Aaron Metoyer and Mike Ellis show their break-dancing skills. Surfing has become a favorite as Chris Phillips shows us. Jerry Mijares jams on his guitar while Brian Flores of the Boyz sits by with his drumsticks and observes. Camouflage pants show the rugged side of Wendy Smith. Fern Carter adds a touch of class with her Flashdance look. Sunglasses and layered clothes are a typical '84 look as displayed by Leigh Pohmier. Smurf and Garfield keep her company. Alicia Alley wears a Mexican dress while she carries an everwanted cabbage patch doll. Lisa Supnet remembers her cherished moment at the Duran Duran concert as she wears her T-shirt. Robert DeLa Garza and Paula Green make the perfect preppy couple. Twistbeads have become a major part of Marian Leepers wardrobe. Robert Dishman holds a ghetto blaster while Russell Hogan prepares to breakdance.

Certainly, the entrance into 1984 was futuristic and a time for individuality.

Welcome Activities Kick off Year

by AMY SCHANEN and BELINDA BLISS

"Hola!" was the greeting heard during Welcome Week August 30-September 2. The theme of the week was Mexican, entitled, "Bien Venidos Amigos Nuestrros." Activities for Welcome Week were planned by the Student Council including red and white Day on Wednesday, and Mexican dress up day on Friday.

Activities planned to make students feel more at home was a school wide Mass, held at M.P.B. and a school dance also held in the M.P.B. This dance was the first dance of the year and more than half of the school showed up, paying one dollar to get in.

Angels 1st in TCIL

"They did it again, they've done it before, they are the State Champs of '84!"

The IWA varsity girls regained their reputation by capturing the State title in the TCIL tournament on February 17 and 18. The Angels defeated Houston St. Pius in the first round of the tournament with a score of 59-45. They then advanced to the finals against the defending state champs, Muenster Sacred Heart. IWA swept a victory over the S.H. Tigerettes, IWA-44, Sacred Heart-38.

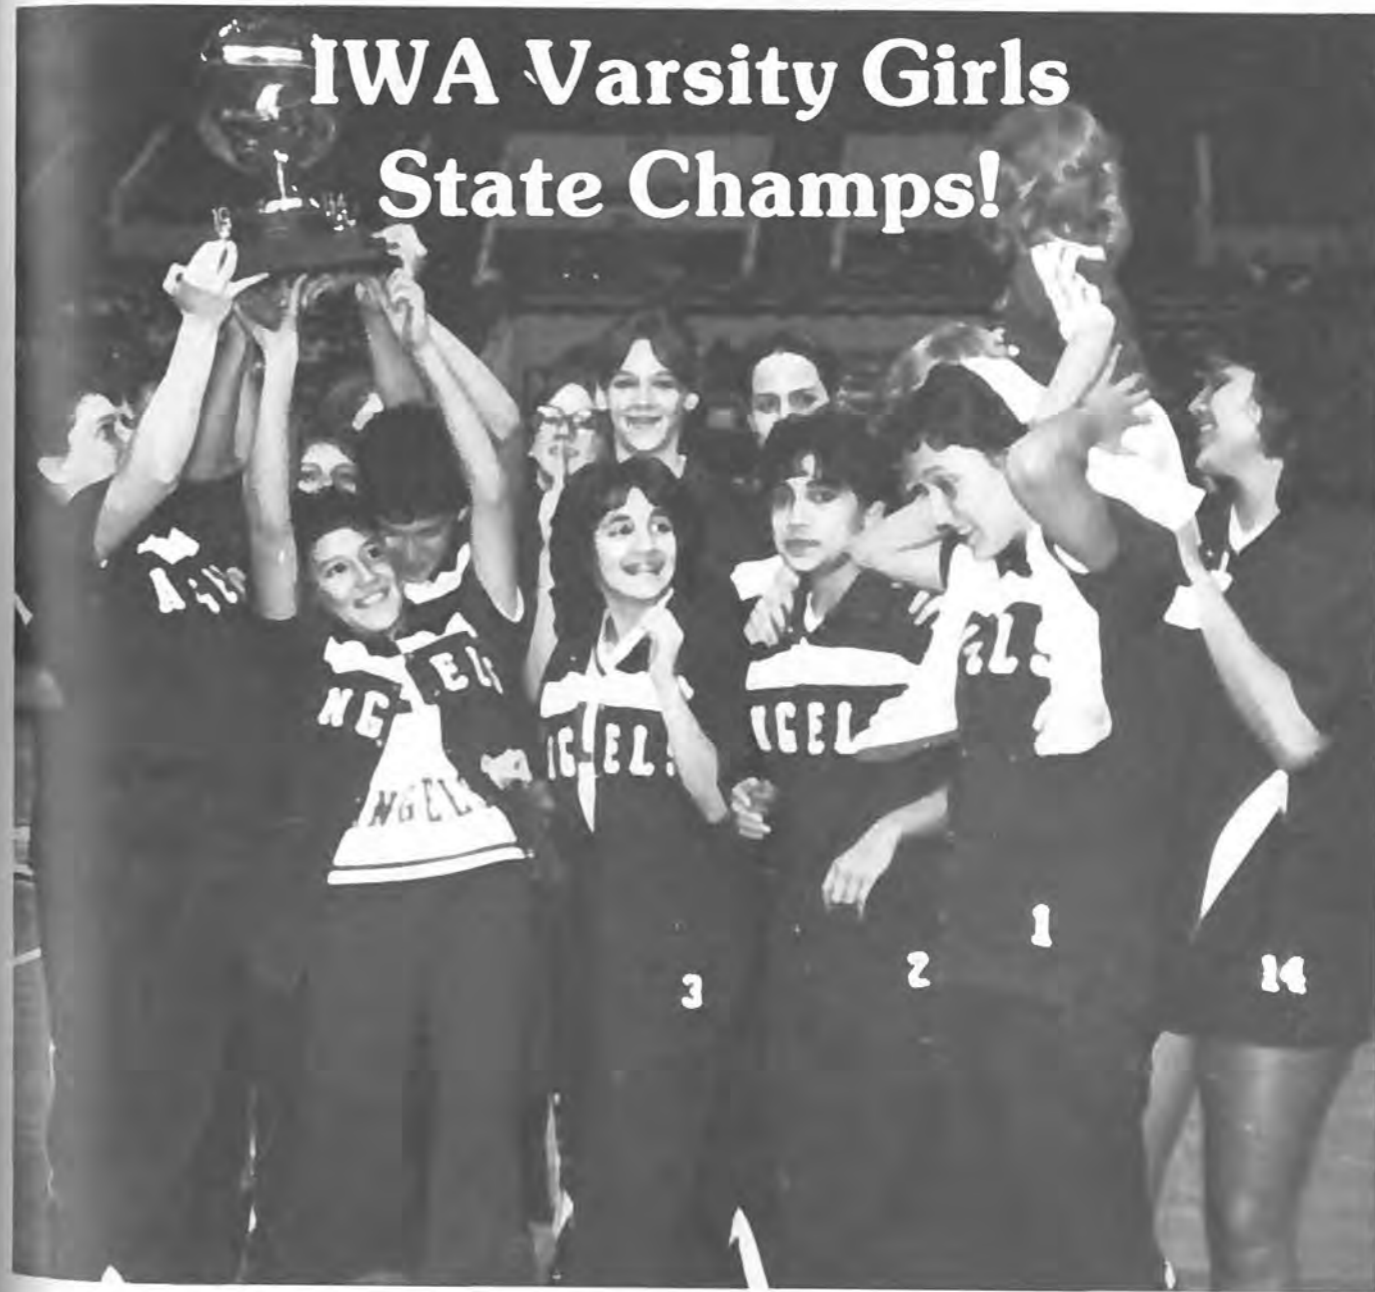

The Lady Angels advanced to the State tournament by defeating St. Joseph and Villa Maria, both of Brownsville. The district title was fairly easy for the Angels to gain, with three clean sweeps, two against V.M., one against St. Joe. The last game against St. Joe proved to be a heartstopping event. The game was close all the way, and the Angels were down by six with only three minutes to play. In the final seconds of the game, the winning shot landed safely in the net to declare yet another victory for the Angels. The final score was 44-43.

Discipline, Drive, Desire, Determination — the four D's combined with a talented team helped the Lady Angels have a successful season, and high hopes for future years.

Varsity Boys Fly High

The IWA Varsity Boys proudly accepted their third place trophy after defeating Victoria St. Joseph in the TCIL state tournament. The Angels worked long and hard to win their honor at the Hemisphere Arena in San Antonio during the weekend of February 17-18.

On Friday, February 17, the Angels took on the tallest team in TCIL — the Marian Christian Colts from Houston. The boys played hard and consistent, but were overtaken due to a height advantage by the Colts. The final score was 56-42, a discouragingly close game.

The following day, the Angels were matched with the Victoria St. Joseph Flyers in a triumphant game. The boys immediately took control and dominated the first half. At one point in the game, the Flyers managed to tie the score. The Angels continued their fight and defeated the Flyers with a score of 80-58.

The Varsity Boys won their district by defeating Brownsville St. Joseph, Brownsville Villa Maria, and Laredo St. Augustine. The title was rather easily attained with comfortable scores in all games. The entire season produced many talented players which will hopefully lead the Angels to a state victory next year.

Softball Earns Third in State

The Angel softball team competed in the TCIL state tournament on May 4-5. In the first round of the double elimination tournament, the lady Angels were defeated by Galveston O'Connell, 0-8. The girls played good defense, but did not hit too well.

On Friday, the girls also played St. Joseph and won, 7-6. The game was close, and went into overtime with the Angels pulling out ahead. In the final game of the tourney, the Angels played St. Pius and were defeated, 1-11, thus claiming third in state.

The Angels softball team won district with a non-stop winning streak. Their first of four games started April 5. IWA beat the St. Augustine Knights with a score of 18-7. IWA defeated the Knights again in their final game with a score of 13-0. The Angels also played Villa Maria twice, claiming victory both times.

The girls had a very successful season, and look forward to another try at the state tournament next year.

Baseball Captures District Title — 4th in State

The IWA Angel baseball team traveled to San Antonio to participate in the TCIL state tournament on May 4-5. They were in a double elimination tourney. On Friday they were matched up against St. Pius in a frustrating game. The Angels were defeated, 0-4. Saturday brought yet another disappointment. The boys played Notre Dame from Wichita Falls and lost, 0-3. In both games the boys played well, but not as well as was needed.

The IWA baseball team won their district title by defeating Villa Maria and St. Joseph, both of Brownsville. All around, the baseball team had a terrific season, and it shows much promise for next year.

The Spirit of IWA Is Shown in Sports

The Incarnate Word Academy Angels are well known in the Texas Christian Interscholastic League (TCIL) for their outstanding reputation in all sports. It is becoming a tradition for the IWA teams to make their way to state. The enthusiasm and skill exemplified by all Angel sports has been admired and complimented, even by opposing teams.

Incarnate Word started out its sports with having only one team — a girl's basketball team. When the school became co-ed, a boy's basketball team was added. Track, baseball, and softball soon followed. Within a few years, a soccer team was formed. IWA now has some sports that some public schools don't even have. Recently the Angels have added cross country, swimming, tennis, and golf. In all areas of sports, IWA has been successful. The teams have aroused the interest of many students, and have thus formed some junior varsity and freshmen teams. The fans have contributed a great deal by showing support and spirit.

Now when the name "Incarnate Word Academy" is mentioned, many people respond with such comments as, "... aren't they the ones with a great athletic department . . .?" And the IWA Angels can truthfully answer, "Yep, we sure are!!"

"A Sea of Treasures" was the theme of Homecoming '83 sponsored by the I.W.A. Highlites on November 26. The M.P.B. never looked more festive than it did the night of the dance. A large seascape mural with fish, coral, and algae covered the back wall and blue and white streamers draped over head gave the impression of being under water.

At ten o'clock, Coach Wenzel had the honor of announcing the '83 Homecoming Royal Court. The Court was: Queen — Zan Mikkelson, Princess — Tricia Lyles, First Duchess — Belinda Cantu, Second Duchess — Monique Manuel, and Third Duchess — Amy Stengel.
