2. Appropriate Programs and Strategies that Provide School Safety

Monte Vista is an Independent Study program. Students meet with their instructor for an hour a week and will also attend labs and other enrichment programs as needed. Students in the lower grade levels attend with their parents. Monte Vista also has the following support programs in place to help provide a safe and caring school environment:

- The school principal is readily available and is a common sight throughout the campus on a daily basis.
- School Resource Officers (SROs) are readily available if needed.
- Weekly attendance is mandated by the nature of the school, parents of non attending students receive written notification.
- The front office, principal, counselor and custodian all carry a district issued as well as a cell phone
- Monte Vista front office phones has an all call feature that allows the user to broadcast a call over the PA system
- Monte Vista has a part time counselor that provides both academic and social support for our students.
- All staff and students have been issued school ID cards and we ask that our employees wear their ID either on a lanyard or clipped on.
- Monte Vista has 20 special needs students. None of these students require any special accommodations. Independent Study students when on campus are with their teacher and in the case of an emergency the teacher provides directions and assistance as needed.
- Monte Vista uses the Code of Honor program to help build and foster positive behavioral expectations and role models.
- Parents have the opportunity to enroll their students in the volunteer drug testing program.
- Monte Vista's Leadership/InterAct Club is very active and the students are being encouraged to become our future community leaders.

WeTip Reporting Site

Simi Valley Unified has a new anonymous online reporting tool available on our school website through a company called WeTip powered by CatapultEMS. To report an incident (anonymously or not), please visit any school website and look for the "BE THE SOLUTION" button. An online form can be filled out that will be sent directly to a team for investigation and resolution. Reports can also be made via phone by calling SVUSD 's dedicated WeTip phone line at 844-926-2183 while remaining anonymous. Students and families are always welcome to call the school or district, or by reporting the concern in person to any staff member.

Staff talks with students at lunchtime and passing periods to foster positive interactions. Our SRO's are on call and available for any incidents that require their intervention and support.

4. Suspension and Expulsion Board Policies

Board Policy 5144.1 Suspension and Expulsion/Due Process

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus
4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code 48900(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5, 48900.6)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-3 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

On-Campus Suspension

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

Authority to Expel

A student may be expelled only by the Board. (Education Code 48918(j))

As required by law, the Superintendent or principal shall recommend expulsion and the Board shall expel any student found to have committed any of the following “mandatory recommendation and mandatory expulsion” acts at school or at a school activity off school grounds: (Education Code 48915 c)

1. Possessing, selling or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined in subdivision (m) of section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.
2. Brandishing a knife at another person.
3. Unlawfully selling a controlled substance listed in chapter 2 (commencing with section 11053) of division 10 of the Health and safety Code.
4. Committing or attempting to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a, or 289, or committing a sexual battery as defined in Penal Code 243.4.
5. Possessing an explosive as defined in 18 USC 921

For all other violations listed in the accompanying administrative regulation under “Grounds for Suspension and Expulsion: Grades K-12” and “Additional Grounds for Suspension and Expulsion: Grades 4-12,” the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in an open session of a Board meeting.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

No student shall be expelled for disruption or willful defiance. (Education Code 48900)

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5, 48918)

Maintenance and Monitoring of Outcome Data

The Superintendent or designee shall annually present to the Board a report of the outcome data which the district is required to collect pursuant to Education Code 48900.9 and 48916.1, including the number of students recommended for expulsion, the grounds for each recommended expulsion, the actions taken by the Board, the types of referral made after each expulsion, and the disposition of the students after the expulsion period.

In presenting the report to the Board, the Superintendent or designee shall disaggregate data on suspensions and expulsions by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

(Education Code 48910)

The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against him/her, and shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference will be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911) This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may also state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)
If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)
 - a. The extension of the original period of suspension shall be preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

- b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)
- c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)
- d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

(Education Code 35146, 48912)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918©)

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918©)

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

(Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. Alternatively, the Board may appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918(d))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue its decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(c))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j)) (cf. 9321.1 – Closed Session Actions and Reports)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during the summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

(Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. 5. If the Board denies the readmission of an expelled pupil, the Board shall determine either to continue the pupil's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

Regulation SIMI VALLEY UNIFIED SCHOOL DISTRICT

approved: May 21, 1996 Simi Valley, California

Revised: October 2, 2018

Board Policy 5144.2 Suspension and Expulsion/Due Process (Students With Disabilities)

Students with Disabilities

A student identified as an individual with disabilities pursuant to the Individuals with Disabilities Education Act (IDEA) is subject to the same grounds for suspension and expulsion which apply to students without disabilities. (cf. 5144.1 – Suspension and Expulsion/Due Process)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated the district's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if the district had knowledge that the student was disabled before the behavior occurred. (20 USC 1415 (k)(8))

The district shall be deemed to have knowledge that the student had a disability if one of the following conditions exists: (20 USC 1415)(k)(8); 34 CFR 300.527)

1. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, that the student is in need of special education or related services.
2. The behavior or performance of the student demonstrates the need for such services, in accordance with 34 CFR 300.7.
3. The parent/guardian has requested an evaluation of the student for special education pursuant to 34 CFR 300.530-300.536.
4. The teacher of the student or other district personnel has expressed concern about the behavior or performance of the student to the district's Director of Special Education or to other personnel in accordance with the district's established child find or special education referral system.

The district would not be deemed to “have knowledge” as specified in items #1-4 above, if, as a result of receiving such information, the district either conducted an evaluation and determined that the student was not a student with a disability, or determined that an evaluation was not necessary and provided notice to the parent/guardian of its determination. (34 CFR 300.527)

If it is determined that the district did not have knowledge that the student was disabled, then the student shall be disciplined in accordance with procedures established for students without disabilities. (20 USC 1415(k)(8))

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (34 CFR 300.527)

Suspension

The Superintendent or designee may suspend a student with disability for up to 10 school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) do not constitute a change in placement pursuant to 34 CFR 300.519.

The principal or designee shall monitor the number of days, including portions of days, students with a valid individualized education program (IEP) have been suspended during the school year.

Services During Suspension

Students suspended for more than 10 school days in a school year shall continue to receive services during the term of the suspension, to the extent necessary to provide the student a free and appropriate public education. (20 USC 1412(a)(1)(A); 34 CFR 300.520)

If a student with disabilities is excluded from school bus transportation, the student is entitled to be provided with an alternative form of transportation at no cost to the student or parent/guardian, provided that transportation is specified in the student’s IEP. (Education Code 48915.5)

Interim Alternative Placement Due to Dangerous Behavior

A student with a disability may be placed in an appropriate interim alternative educational setting when he/she commits one of the following acts: (20 USC 1415 (k)(1); 34 CFR 300.520)

1. Carries a weapon, as defined in 18 USC 930, to school or to a school function.
2. Knowingly possesses or uses illegal drugs while at school or a school function.
3. Sells or solicits the sale of a controlled substance while at school or a school activity as identified in 21 USC 812©, Schedules I-V.

The student’s alternative educational setting shall be determined by the student’s IEP team (20 UFR 300.521, 300.522)

A hearing officer may order a change in placement of a student with a disability to an appropriate interim educational setting if the hearing officer: (20 USC 1415 (k)(2); 34 CFR 300.520)

1. Determines that the district has established by substantial evidence, meaning beyond a preponderance of the evidence, that maintaining the current placement of the student is substantially likely to result in injury to the student or others.
2. Consider the appropriateness of the student’s current placement.

3. Considers whether the district has made reasonable efforts to minimize the risk of harm in the student's current placement, including the use of supplementary aids and services.
4. Determines that the interim alternative educational setting proposed by school personnel who have met with the student's special education teacher allows the student to:
 - a. Progress in the general curriculum and continue to receive those services and modifications, including those described in his/her IEP, to enable the student to meet the goals of the IEP
 - b. Receive services and modifications designed to address the behavior and ensure that the behavior does not recur

The student may be placed in the interim alternative educational setting for up to 45 days, or until the conclusion of any due process hearing proceedings requested by the parent/guardian.
(20 USC 1415 (k)(2))

Behavioral Assessment and Intervention Plan

Not later than 10 business days after a student has been suspended for more than 10 school days or placed in an alternative educational setting, the district shall convene an IEP team meeting to conduct a functional behavior assessment and implement a behavioral intervention plan. If the student already has a behavioral intervention plan, the IEP team shall review the plan and modify it as necessary to address the behavior. (20 USC 1415 (k)(1); 34 CFR 300.520)

As soon as practicable after developing the behavioral intervention plan and completing the required assessments, the IEP team shall meet to develop appropriate behavioral interventions to address the behavior and shall implement those interventions. (34 CFR 300.520)

Procedural Safeguard/Manifestation Determination

The following procedural safeguards shall apply when a student is suspended for more than 10 consecutive school days, when disciplinary action is contemplated for a dangerous behavior as described above, or when a change of placement of more than 10 school days is contemplated: (20 USC 1415 (k)(4); 34 CFR 300.523)

1. The parents/guardians of the student shall be immediately notified of the decision and provided all procedural safeguards pursuant to 34 CFR 300.504 on the day the decision to take action is made.
2. Immediately if possible, but in no case later than 10 school days after the date of the decision, a manifestation determination shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action.

At this review, the IEP team and other qualified personnel shall consider, in terms of the behavior subject to the disciplinary action, all relevant information, including: (20 USC 1415 (k)(4); 34 CFR 300.523)

- a. Evaluation and diagnostic results, including the results or other relevant information supplied by the student's parents/guardians.
- b. Observations of the student.
- c. The student's IEP and placement.

In relation to the behavior subject to the disciplinary action, the team shall then determine whether the IEP and placement were appropriate and whether supplementary aids, services, and behavioral intervention strategies were provided consistent with the student's IEP and placement. The team shall also determine that the student's disability did not impair the ability of the student to understand the impact and consequences of the behavior, nor did it impair his/her ability to control the behavior subject to the disciplinary action. (20 USC 1415 (k)(4); 34 CFR 300.523)

If the team determines that the student's behavior was not a manifestation of his/her disability, then the student may be disciplined in accordance with the procedures for students without disabilities as long as the student continues to receive services to the extent necessary to provide that student a free and appropriate public education. (20 USC 1415 (k)(4); 34 CFR 300.524)

If the team determines that the student's behavior was a manifestation of his/her disability, then the student's placement may only be changed via the IEP team process. (20 USC 1415(k)(4))

Due Process Appeals

If the parent/guardian disagrees with a decision that the behavior was not a manifestation of the student's disability or with any decision regarding placement, he/she has a right to appeal the decision. (20 USC 1415(k)(6); 34 CFR 300.525)

If the student's parent/guardian initiates a due process hearing to challenge the interim alternative educational setting or the manifestation determination, the student shall remain in the interim alternative setting pending the decision of the hearing officer or the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (34 CFR 300.526)

If school personnel maintain that it is dangerous for the student to be placed in the current placement (placement prior to removal to the interim alternative education setting), during the pendency of the due process proceedings, the Superintendent or designee may request an expedited due process hearing. (34 CFR 300.526)

Services During Expulsion

Expelled students shall continue to receive services during the term of the expulsion to the extent necessary to provide the student a free and appropriate public education. Any alternative program must provide services to the extent necessary to enable the student to appropriately progress in the general curriculum and appropriately advance toward achieving the goals set out in the student's IEP. (20 USC 1412(a)(1)(A); 34 CFR 300.121, 300.520)

Readmission

Readmission procedures for students with disabilities shall be the same as those used for all students.

Suspension of Expulsion

The Board's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance or possession of weapons or firearms in violation of Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900© or (d), relating to the possession, use, offering or sale of controlled substances, alcohol or intoxicants of any kind. Excerpt from Administrative Regulation 4158, 4258, 4358 Employee Security

Notice Regarding Student Offenses Committed While Under School Jurisdiction

Note: Education Code 49079 requires the district to inform teachers of students who have committed acts that constitute grounds for suspension or expulsion as specified in Education Code 48900 (except subdivision h), and in Section 48900.2, 48900.3, 48900.4 or 48900.7. As amended by AB 29 (Ch. 345, Statutes of 2001), Education Code 49079 adds sexual harassment, hate violence, terroristic threats and certain acts of harassment to those for which a district must also notify a teacher. School district officers or employees who knowingly fail to provide this information are guilty of a misdemeanor punishable by a fine and/or imprisonment.

The Superintendent or designee shall inform the teacher of each student who has engaged in, or is reasonably suspected of, any act during the previous three school years which could constitute grounds for suspension or expulsion under Education Code 48900, with the exception of the possession or use of tobacco products, or Education Code 48900.2, 48900.3, 48900.4, or 48900.7. This information shall be based upon district records maintained in the ordinary course of business or records received from a law enforcement agency. (Education Code 49079)

Note: As amended by AB 29 (Ch. 345, Statutes of 2001), Education Code 48201 requires districts to request records of a transferring student regarding acts that resulted in the student's suspension or expulsion from the previous school, as specified below; see AR 5125 - Student Records. Once the record is received, the Superintendent or designee must inform the student's teacher(s) of the acts as specified below.

Upon receiving a transfer student's record regarding acts committed by the student that resulted in his/her suspension or expulsion, the Superintendent or designee shall inform any of the student's teacher(s) that the student was suspended from his/her former district and of the act that resulted in the suspension or expulsion. (Education Code 48201)

Information received by teacher(s) shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher. (Education Code 49079)

The principal shall also inform any teacher or administrator directly supervising or reporting on the student's behavior or progress whom he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent shall hold the court's information in a separate confidential file until the student is returned to the district. If the student is returned to a different district, the Superintendent shall transmit the information provided by the student's parole or probation officer to the Superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs first; it shall then be destroyed. (Welfare and Institutions Code 827)

Board Policy 5145.3 Non Discrimination/Harassment

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates, or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline., which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Transgender and Gender-Nonconforming Students

Gender identity of a student means a student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited. Examples of types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity
2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable.
3. Blocking a student's entry to the bathroom that corresponds to his/her gender identity
4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is his/her private information and the district will only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportive basis for believing that the student's assertion is for an improper purpose.
3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action could be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the student's arrangements are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. Accessibility to Sex-segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intramural sports, and interscholastic athletic programs students shall be permitted to access facilities and participate in programs and activities consistent with his/her gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.
5. Student Record: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.
6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns shall not constitute a violation of this administrative regulation or the accompanying district policy.
7. Uniforms/ Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students.

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made.

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel.

Cyberbullying includes the creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Strategies for addressing bullying in district schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, and may be incorporated into the comprehensive safety plan, the local control and accountability plan, and other applicable district and school plans.

As appropriate, the Superintendent or designee may collaborate with law enforcement, courts, social services, mental health services, other agencies, and community organizations in the development and implementation of joint strategies to promote safety in schools and the community and to provide services for alleged victims and perpetrators of bullying.

Bullying Prevention

To the extent possible, district schools shall focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Such instruction shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

3. Identify the signs of bullying or harassing behavior
4. Take immediate corrective action when bullying is observed
5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Based on an assessment of bullying incidents at school, the Superintendent or designee may increase supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, cafeterias.

Intervention

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. In addition, the Superintendent or designee shall develop means for students to report threats or incidents confidentially and anonymously.

School staff who witness an act of bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

Reporting and Filing of Complaints

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

When a report of bullying is submitted, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3.

If, during the investigation, it is determined that a complaint is about nondiscriminatory bullying, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

7a. Visitor Access to School Campus

Raptor Visitor Management System

Simi Valley Unified uses the Raptor Visitor Management System providing visitor accountability, which increases the overall safety of our students and staff. This web-based software provides a sophisticated check-in and check-out system for all visitors coming to our schools and facilities. In addition to providing a data trail of visitors to our sites, this system will provide details of each visit, produce visitor badges, check-in/out all visitors, and electronically search each visitor's information against national registered sexual offender databases.

For visitors who are only going to the school office or lobby, no identification will need to be presented. A visitor's badge is not needed for those coming to our schools to drop off an item in the office or pick up paperwork. For anyone else needing access to the campus or district facility, every visitor entering the office will be asked to present a valid government-issued form of identification, which will be quickly scanned into the software. Once a visitor's information is cleared, they will be issued a badge for their visit. Badges will be worn in a visible manner and include the visitor's photo, name, date and time of arrival, and their destination. In the event of a match in the database, or if another indication is made, the school administrator will provide assistance. At the end of their visit, each visitor must return to the school office to check-out.

9a. Discipline Board Policy

Board Policy 5144 Discipline

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and to preparing students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

The Superintendent or designee shall develop effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at district schools. The strategies shall focus on providing students with needed support; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

In addition, the Superintendent or designee's strategies for correcting student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

School personnel and volunteers shall not allow any disciplinary action taken against a student to result in the denial or delay of a school meal. (Education Code 49557.5)

The administrative staff at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and district regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. Site-level disciplinary rules shall be included in the district's comprehensive safety plan. (Education Code 35291.5, 32282)

At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn."

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

The Superintendent or designee shall provide professional development as necessary to assist staff in developing the skills needed to effectively implement the disciplinary strategies adopted for district schools, including, but not limited to, consistent school and classroom management skills, effective accountability and positive intervention techniques, and development of strong, cooperative relationships with parents/guardians.

District goals for improving school climate, based on suspension and expulsion rates, surveys of students, staff, and parents/guardians regarding their sense of school safety, and other local measures, shall be included in the district's local control and accountability plan, as required by law.

At the beginning of each school year, the Superintendent or designee shall report to the Board regarding disciplinary strategies used in district schools in the immediately preceding school year and their effect on student learning.

11. Guidelines for roles and responsibilities of : Mental Health Professionals, School Counselors, School Social Workers, & School Resource Officers on campus:

Each of the schools in the Simi Valley Unified School District have access to school psychologists, school counselors, school social workers, and school resource officers. Each of these professionals have designated roles and responsibilities.

- **School Psychologists** - While school psychologists have the primary function of assessing students for special education, they also help support the social-emotional health of our students, including, but not limited to hosting social skills groups. They are often called to assist with risk/threat assessments.
- **School Counselors** - School Counselors provide both group and one-on-one counseling for our students. They make presentations in our classrooms on topics such as emotional regulation and peer acceptance. They also help to triage situations when a student/students are in an emotionally vulnerable situation. Students may be referred to a counselor by a teacher or an administrator. At the secondary school level, students may drop in to their counselor's office to discuss their needs and/or challenges.
- **School Social Workers** - Our school social workers are not assigned to a particular school site. However, they are available to assist site based counselors and administrators in providing information on community resources to students. Our social workers also provide more intensive social-emotional counseling services to our students when the school counselors are unable to provide the services needed by the students.
- **School Resource Officers** - There are two school resource officers who support Simi Valley Unified schools. The officers are employed by the City of Simi Valley and are members of the Simi Valley Police Department. They are trained to work with youth and come to the schools to provide support when called by site administration.

12. Disaster Procedures Emergency Operations Plan (EOP)

Please refer to the school site Emergency Operations Plan (EOP) for more detailed information which is incorporated by this reference. The EOP is updated yearly.

Emergency Operations Plan (EOP) addresses all types of emergencies including but not limited to earthquakes, fire/evacuation, bomb, bioterrorism, hazmat, flood power failure and tactical responses to active assailants on campus. The EOP is reviewed by each site annually including the staff "Emergency Operation Assignments" and are referred to as "Appendix B" in the EOP. Staff are assigned to emergency response teams at the beginning of each school year. Assignments and staff contact information are updated annually. There are designated staff who are responsible for adaptations for students with special needs.

Staff members are trained in emergency response and management procedures that are reviewed yearly. School sites hold regular mandatory fire/evacuation, drop cover and hold and lockdown drills. Drill documentation is kept at each site and is shared with Risk Management. Risk Management maintains training and drill documentation for all school sites.

Each site has one or more Automated External Defibrillator(s) (AED's) and Bleeding Control Kits. Designated staff receive CPR and First Aid training and instruction on how to use the AEDs and the Bleeding Control Kits equipment.

Each classroom has the following emergency supplies: Emergency Action Plan Flip Charts, Emergency Go Bags, Lockdown kits, a case of water. A designated safety storage container houses school wide emergency supplies including First Aid, Search and Rescue, Incident Command, and Sanitation supplies. These supplies are inventoried and re-supplied each year as needed. Each school office keeps an updated copy of the Emergency Operation Plan, school roster, to assist staff during emergencies. School sites have access to food and other supplies on campus.

The SVUSD has an emergency communications system designed to allow schools to report their status during an emergency via computer, radio, cell phone and the district's internal phone system. Schools have hand-held radios for on-campus communications. School bus drivers and campus staff use a district-wide radio system to connect school sites to the district office and transportation. The District participates in and has communication capabilities with the City of Simi Valley's Emergency Operations Center EOC at the police station through satellite phone, data link, radio, and telephone.

Pursuant to Education Code 32282, the Simi Valley Unified School District grants the use of school buildings, grounds, and equipment to public agencies, including the American Red Cross, for mass care and welfare shelters during disasters or other emergencies.
