When to Keep Your Student Home

The flu season (and other nasty viruses) is upon us. Here is a quick refresher for when to keep your student home. Remember, the **Colorado Department of Health** is still recommending for confirmed Covid cases the student remain home for 5 days of isolation and then wear a mask for 5 days after returning to school.

BVSD is not enforcing this or following up on any reports of cases, this is just best practice. For any other illness, the policy is the same as it has always been. [Click here](#) for information on when to keep your student home.

Fairview's Wellness Center

How BVSD Wellness Centers support student resilience

We encourage you to visit the Wellness Center and encourage your child(ren) to visit the room as well during lunch, off periods, or anytime they feel they need a break. Thank you to the BVSD foundation, Impact on Education, for providing the funding to open our Wellness Center!

A safe space to spend your off-period, a refuge during an anxiety attack, a place to connect with your friends – these are just a few of the reasons students are visiting Wellness Centers across Boulder Valley School District. [Click here to learn more.](#)
