**Attention Biliterate ( English-Spanish) Students!**

If you are interested in this Front Range Community College (FRCC) elective offering to potentially be available period 1 next semester, please email Dr. Chopin by Wednesday, November 29, 2023. [scarlet.chopin@bvsd.org](mailto:scarlet.chopin@bvsd.org)

**HUM 1003: Introduction to Film Art (taught in Spanish)**

Introduces film terminology and narrative techniques to explore how film conveys meaning and to study the relationships among film form, content, and audience reception. This course emphasizes active viewing, discussion, and critical analysis of films from different cultures and eras. This is a statewide Guaranteed Transfer course in the GT-AH2 category. Since this course is taught in Spanish, students who participate must possess strong listening, speaking, reading and writing skills in Spanish. The ideal students for this course are those who have completed all levels of Spanish offered at our school and/or those who have received previous content instruction in Spanish through our BVSD dual language programs or content instruction in a Spanish speaking country.

BVSD is excited to offer this content course in Spanish as a start to a larger scale initiative to offer concurrent enrollment for our biliterate learners. Please, keep an eye out for additional opportunities as we work to fully develop a partnership with Front Range Community College.

### When to Keep Your Student Home

The flu season (and other nasty viruses) is upon us. Here is a quick refresher for when to keep your student home. Remember, the **Colorado Department of Health** is still recommending for confirmed Covid cases the student remain home for 5 days of isolation and then wear a mask for 5 days after returning to school.

BVSD is not enforcing this or following up on any reports of cases, this is just best practice. For any other illness, the policy is the same as it has always been. [Click here](#) for information on when to keep your student home.
