- F. Derogatory statements from nonprofessional sources shall not be included in an employee's personnel file unless intended to substantiate action taken by the District and unless investigated and found true.
- G. After three (3) years from the date of placement in the personnel file, an employee may request that written materials making derogatory reference to an employee, other than the evaluation, be expunged from the file. The District shall advise employees of the known possible health impacts to employees due to use of the badge. If the District decides to retrieve badges during school holidays, breaks, and/or summer break, District/building administrators will ensure that all badges are retrieved and returned to the Director of Safety and Security. In no case will use of the badges, or information obtained from the badges, be used as in any disciplinary action or evaluation for any employee. - 1. A notice showing posting date and closing date of each vacancy shall be emailed to "District Email users" (all employees with email) and posted on the District website.
- 2. An employee who desires to apply for such openings shall make an application through the District website within the time limit specified in the notice, which limit shall not be less than ten (10) working days. An employee may only be granted one lateral or downward movement per school year. Any reduction in the number of days a position is advertised less than ten (10) days must be made by mutual agreement with the Association President and the Human Resources Director.
- 3. The qualifications for the position, its duties and the level of compensation shall be clearly set forth at the time the position is advertised. The qualifications for an existing position shall not be established or changed without advance notice to the Association. **The posting shall include the current annual total compensation range and the number of workdays for the position.**
- 4. As positions become vacant, the District shall provide and maintain a minimum staff level of one (1) bilingual (English/Spanish) skilled office employee at each elementary, middle school, and high school building. As the bilingual employee in the office, he/she shall be required to take the calls/interactions in person from Spanish speaking members of the community. - 5. The District shall fill vacancies and new positions with their present employees (who have no discipline within the previous 12 months) before out-of-District hiring occurs. In cases where more than one equally qualified District employee applies for the same position, length of service in the District shall be the deciding factor. Probationary employees and employees with discipline within the previous 12 months will be considered as outside candidates and only interviewed if the position is open out of District. Discipline as referred to in Article 5.2 (A.5) shall be interpreted as a written warning letter and/or suspensions, which have been adjudicated through Article 10 Grievance Procedure or have not been grieved in a timely fashion.
- 6. All interviews for positions covered by this Agreement shall include a member of the bargaining unit as mutually agreed upon by the YEOP President and the District. **The**

Probationary employees shall not be eligible to transfer to another position during the probationary period. In the determination of transfers, an employee shall be considered to the extent that these considerations do not conflict with the educational system. An employee may only be granted one transfer during each school year. An employee who desires a transfer shall use the following procedure:
 1. A request for transfer shall be made in writing to the Human Resources Department. All transfer requests shall be reviewed when received. Requests for transfers must be resubmitted by the employee annually.
 2. An employee, when transferred shall be given two (2) working days prior notice of the date of the commencement of work in the new position. The District shall orient the employee to the new position prior to the date of commencement of work in the new position.
 3. If two (2) employees mutually agree to exchange jobs, they will notify the Association in writing. If the exchange does not violate any provisions of the collective bargaining agreement the Association will sign the notice and return it to the employees to forward to the Human Resources Department. If the District agrees that this staff adjustment is desirable, the employees may be transferred without posting the job positions.
- C. Involuntary Transfers: In those cases where the District deems it necessary to make staff adjustments to meet the District's needs, the District may involuntarily transfer three (3) employees to existing vacant positions in the contract year without posting the open positions. Written notification for all transfers shall be given to the President.

If no employee in the bargaining unit at the wage level offered accepts the position, the position shall be offered to all bargaining unit employees and shall be awarded to the most senior qualified employee, who shall be paid their regular wage.** If no employee within the job site agrees to fill the supplemental assignment, the District shall open the position within the bargaining unit.

Members of the bargaining unit will be given first preference in accordance with the Collective Bargaining Agreement.

3. Effective September 1, 2018, regular and ongoing supplemental work assignments outside of the bargaining unit that are potentially eligible for overtime may not be accepted without prior written approval from the immediate supervisor and written notice to the YEOP President. The process for approving ongoing supplemental work assignments outside the bargaining unit that are potentially eligible for overtime shall be communicated to all employees annually. APPENDIX E What Does “Just Cause” Mean?

The concept of “just cause, referenced in § 4.4, requires that there be fundamental fairness in decisions related to the discipline and discharge of employees. Arbitrators often turn to the seven tests of just cause, generally phrased as follows:

1. **Notice:** Did the District give the employee forewarning of the possible consequences of the employee’s conduct?
2. **Reasonable Rule or Order:** Is the District’s rule, or the supervisor’s order reasonable for the orderly, efficient or safe operation of the District?
3. **Investigation:** Prior to discipline, did the District make an effort to determine if the employee violated or disobeyed the rule or order?
4. **Fair Investigation:** Was the investigation conducted fairly and objectively?
5. **Proof:** Did the person making the decision about the employee’s conduct obtain sufficient evidence to substantiate the decision?
6. **Equal Treatment:** Has the District applied its rules and penalties even-handedly?
7. **Penalty:** Was the discipline reasonably related to the seriousness of the offense and the employee’s past record?

These tests are printed here for the education of employees and supervisors, and not as a limitation on the rights of the Association, District or employees in any particular case.
