

Kindergarten Report Card – Parent Support MATH

Math	T1	T2	T3
Counts to 100's by ones and tens	Counts to 20 orally	Counts to 50 Begins to count by tens	Count to 100 by ones and tens
Counts forward starting at number greater than one	Can orally count starting at number greater than 1 up to 10.	Can orally count starting at number greater than 1 up to 20	Can orally count starting at a number great than 1 above 20.
Counts objects and writes numbers 0-20	Can count and write up to 10	Can count and write numbers to 20	
Compares two numbers between one and ten, presented as written numerals	Can compare numbers between 1-10 with picture support		
Uses one to one correspondance up to 20	Can say one number for every item counted up to 10	Can say one number for every item counted up to 20	
Identifies a group of objects by greater than, less than, or equal to	Can compare objects by greater than, less than, or equal to with little support	Can independently compare objects by greater than, less than, or equal to	
Identifies two dimensional shapes			Identify two dimensional shapes
Identifies three dimensional shapes			Can identify three dimensional shapes
Compares and contrasts two dimensional objects			Compares and contrasts two dimensional objects
Classifies objects into categories	Can sort items into a given category	Can classify objects into categories independently	

Represents the numbers 11-19 as tens and ones			Represents the numbers 11-19 as tens and ones
Adds with objects, mental images, fingers, and drawings			Adds with objects, mental images, fingers, and drawings
Represents math facts up to 10			Represents math facts up to 10
Adds and subtracts within 10			Adds and subtracts within 10
Solves (+/-) word problems			Solves (+/-)word problems
