

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

## Our Compact will Benefit everyone!

### Jointly Developed

The parents, students, and teachers of Berta Weathersbee Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact. Parents are welcome to contribute comments at any time!

\*\*\*\*\*

If you would like to volunteer, please contact our Family Liaison-Vetra Luke- by calling the school.

## Activities to Build Partnerships

Anytime parents visit BWES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/ calendar for all events. If you would like to volunteer or mentor at the school, please call us!

## Communication and Student Learning

BWES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders/ Homework Folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Class Tag
- Phone Calls, emails

REVISION DATE : 9/6/23

## School-Parent Compact For Achievement

2023-2024

## 2nd Grade Focus for Student Success

# Our Goals for Student Achievement

## District Goals:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRP), & Georgia Milestone Assessment (GMAS) scores \*reading on grade level and mathematical competency
2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities \*problem solving & critical thinking

## Teachers, Parents, Students- Working Together for Success

### In the 2nd Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Students will bring home a homework folder every night.

Communicate on a regular basis with our students' families through newsletters, weekly homework, and Class tag.

Hold parent conferences throughout the year.

### Soaring Eagle Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

I will give my parents my homework folders everyday and complete my math and spelling homework.

I will read a book 20 minutes every night.

Always try to do my BEST in my school work and in my behavior.

### Teachers, Parents, and Students believe these additional key points will create success for our 2nd Graders this year:

1. Read together 20 minutes or more every night
2. Demonstrate a POSITIVE ATTITUDE about education to your child.
3. Monitor your child's television, video games, cell phone, and internet usage.
4. Talk to your child.
5. Have your child at school on time. Take attendance seriously.
6. Get INVOLVED.
7. Support PBIS expectations.

## BWES 2nd Grade Goals:

1. 50 percent of students in grades K-2 will score proficient and above in Guided Reading using local assessments.
2. 50 Percent of 2nd grade students will master their math facts by the end of the year.

### At Home

BWES parents joined staff to develop ideas about how families can support student success in Reading and Math

As a parent we will review math facts with our children nightly and help complete math homework.

As a parent we will make sure our child reads their library books, ask questions, and read to my child.

As a parent, I will set school and learning expectations and review them at home.
