

PBIS Positive Behavioral Interventions and Supports

“The Roosevelt Way”

Be Respectful, Be Responsible, Be Safe

November Harmony Lessons

This month, classrooms focused on emotions and discussed the fact that emotions come automatically and that the way they feel is ok. Students discussed what being considerate means and worked on recognizing how their actions and behaviors can influence others. They also worked on naming and demonstrating ways to get calm.

This month students also worked on describing ways they have changed and will change in the future. They have been shown to believe that they can work hard and keep trying to learn new things. We understand that mistakes and challenges will help us improve! Just because you cannot do something yet does not mean you will never do it. This helps to foster a growth mindset and learning that making errors and not immediately reaching goals can help us grow. Growth mindset promotes motivation, perseverance, and resilience.

Student of the Month

The following students earned Student of the Month honors for October. They received a certificate, a specially designed Roosevelt sticker, and their picture on the bulletin board near the media center. Thanks for being great role models!

Damian, Colin, Josiah, Gio, Jayce, Joseph, Virgil, Branson, Riley, Ryker, Liam, and Jakila

Expectation Acknowledgement

Beep Bucks- Students earn beep bucks by following school expectations. Teachers give specific feedback so students understand the positive behavior that is being reinforced. Beep bucks are exchanged for money to purchase school store items such as raffle tickets, school supplies, and toys.

Roosevelt Way			
	Respectful	Responsible	Safe
You			

Feathers- These are given when a whole class follows the **Roosevelt Way** by being respectful, responsible, and safe. The class with the most feathers for the month gets to have the Golden Roadrunner outside their door, along with a reward such as an extra recess or a special event day.
