December-January: School Tours

Still deciding which school is for you? Visit any of our schools for a tour and to learn what you can expect from our kindergarten program. This is a great opportunity to meet the principal and explore the school building. Visit our website at stillwaterschools.org/schooltours for available dates and times or to take a virtual tour.

April: Attend Kindergarten Orientation

April 25 from 5 to 6 p.m. or April 26 from 9:30 to 10:30 a.m.
Bring your child to school for a sneak peek of kindergarten. During this fun event kids will spend time in a kindergarten classroom and meet our amazing teachers. They'll participate in activities with their future classmates and even get a cool Pony t-shirt.

Before First Day of School: Schedule a Health Examination

Your child will need to visit their doctor for a School Health Examination. The School Health Examination Form (completed by doctor) and Immunization Record (or signed waiver) must be submitted at least one week prior to the start of school.
