

Anderson Island Elementary Eagle News

December 1, 2023

Happy Friday! I hope this message finds you well and ready for a wonderful weekend.

I want to express my gratitude to our outstanding students and dedicated teachers for making our first full week back from Thanksgiving Break great. This week, we had the privilege of hosting visitors from our school board and district office on Wednesday. Our students and teachers did an outstanding job showcasing what makes Anderson Island Elementary a unique and exceptional place to work and learn.

Your enthusiasm, creativity, and hard work were evident in our classrooms. Moments like these remind us of the strong sense of community and pride we have here at AIE. I love being a part of that.

As we head into the weekend, I encourage each of you to take some time to rest, enjoy the outdoors, and, of course, remember to indulge in a good book. Reading is a fantastic way to relax and expand our minds.

I wish you all a fantastic weekend filled with joy, relaxation, and perhaps a bit of adventure. I look forward to seeing everyone back at school next week for more exciting learning experiences.

Take care and see you next week!
