Statute 124D.111, subdivision 5), except where a special diet is prescribed by an authorized medical professional for a specific student.

**Point of Service**

In order for Cologne Academy to receive State and Federal reimbursement for meals served, each student must be identified at the point of service. Nonprogram Food Sales are any food or beverage not included in the reimbursable meal. Funds can be added to the family account

- Student provides documentation of the requirements above in a signed medical statement from a licensed physician. Statement must also identify the foods to be omitted and the substitutions to be made.
