CELEBRATE THE SEASON WITH SPIRIT OF GIVING AND FILL THE BUCKET WEEK AT NN

Our Word of the Month for December is CARING. As we draw closer to the holiday season, we would like to focus our efforts on the giving spirit of Christmas.

We would like to celebrate the season of giving and brighten someone's holiday by filling our buckets with canned goods or other non-perishable items for the Louisville Community Cupboard. Our goal will be to bring in over 400 items over the course of the week to match the number of students and staff in our building. Our Fill the Bucket Week will begin Monday, December 11th and will run through Friday, December 15th.

To celebrate achieving our goals each day, we will have a number of themes throughout the week of December 11th to keep us focused on helping others this holiday season.

On **Monday, December 11th**, students and staff can wear their favorite Christmas socks or special socks to school as we "Fill Our Stockings and Buckets at NN to Celebrate the Spirit of Giving!"

On **Tuesday, December 12th**, students and staff can wear their pajamas or other comfy clothes to school as we hop aboard our very own "Polar Express Train of Caring and Celebrate Polar Express Day" at NN.

On **Wednesday, December 13th**, students and staff can "Dress Like a Snowman and wear white to White out Hunger" as we make a difference in our community as we continue to bring in our donations for our Louisville Community Cupboard.

On **Thursday, December 14th**, students and staff can wear a favorite holiday outfit as we celebrate the season of giving by wearing your favorite Christmas outfit!

On **Friday, December 15th**, students and staff will wear their favorite Christmas colors of Red and Green as we "Celebrate the wonderful Christmas season of Giving!"

We hope you will be able to participate in our week of giving. We are so very blessed to have such wonderful students, parents, and staff at North Nimishillen Elementary School. May you all have a joyous holiday season with your families, and a Happy, Healthy, New Year!

SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. Delays and closings will almost always be announced by 6:30 AM. If there is no announcement to cancel or delay school by 6:30 AM, you may safely assume that school will be in session.

Parents will be notified by the Telephone Notification System in the event school is delayed or canceled.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. There will be no AM pre-school when school is delayed for two hours, and no breakfast will be served in any of the school cafeterias.

A two-hour delay simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will "pick-up" students two hours later than the normal pick-up times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.

The following will have school delays and closings:

- Television Stations: Channels 3, 5, 8, and 19
- Radio Stations: WHBC (AM 1480, FM 94.1)
- Web Addresses:
 - Louisville City Schools: louisvillecityschools.org
 - The Canton Repository: cantonrep.com

OUTDOOR RECESS CONTINUES

The snow will soon begin to fall, and it is time to remember to send your child to school with a warm coat, hats, gloves, and boots when appropriate. When the wind chill is around 20 degrees or higher at 11:00, our students will have outdoor recess. All children are expected to go to recess, unless they have a medical reason that is preventing them from going outdoors. Recess is an important time of the day for students to have a free play break from the work of school as well as a chance for fresh air.
