

December

Hello AC Families,

We're thrilled about the upcoming holiday season and want to share the exciting progress and achievements of our students with you. In the next few days, our 3rd graders results for the Ohio State Assessment will be released, showcasing their strengths.

Additionally, the next two weeks mark the opening of our STAR window, where your child will be taking their Reading and Math STAR tests. We're eager to witness their growth. Please remind your child to take their time on these assessments for accurate results, which will help us set new goals and highlight their incredible progress.

A big shout-out to your children for their hard work! In November, as a school, we averaged 7.3 lessons completed in Dreambox—a fantastic achievement. Let's keep up the great work; consistent effort and dedication are crucial for academic success.

As the weather gets colder, please ensure your child is prepared with a coat and warm clothes for recess. Our policy is that students will go outside if the temperature or wind chill is twenty (20) degrees Fahrenheit or above, and there's no moisture in the air. Safety and comfort are our top priorities.

If you need any support or assistance during this holiday season, please reach out to Mrs. Jimmo or Mr. Brosovich. We're here to help and support your family in any way possible.

Wishing you all a wonderful holiday season filled with joy, warmth, and cherished moments. Thank you for your continued support in making Amanda Clearcreek Elementary a thriving learning community.
