Re: School Pictures – O'Connor Studio

I'm happy to announce that pictures taken on October 25<sup>th</sup> have arrived.

Picture retake day is December 11, 2023.

Anyone who wants a picture retake will need to return their original pictures and complete the retake form on the back of the package. The photographer will process the same package using the new image.

Students absent on the original picture day should use the original flyer/order form that was sent home. If you don't have the form, please contact O'Connor Studio's to place your order. Their customer service number is 978-640-6250.
