

THE DISTRICT DISPATCH

The monthly update for Northridge Schools & Community

The True Spirit of Giving

Ashley Allerton, Halle Neal, and Grace Yost, students from Mr. Wentz’s Service Learning Class, wanted to do a little something more this holiday season. The students received a grant to purchase supplies to build care bags for the Ronald McDonald House. The students held a schoolwide volleyball tournament the day before Thanksgiving break which helped to raise \$300 for the project. Students will be packing the special care bags this month which will make many children at the Ronald McDonald house smile this holiday season. We are so proud of our Northridge students who know the true meaning of giving!

The Viking Giving Tree

Each year we try to support families in need from the Northridge community with holiday gifts. This year, the need is bigger than ever. If you are willing to help, please use the link below to select items to purchase and bring to the Elementary School before December 11th. Please make sure items are wrapped and labeled correctly as indicated in the sign up directions. Feel free to pass this link on to other community members. We cannot do this without you, and we appreciate our generous community! Happy Holidays!

Northridge Elementary PTO's

Secret Santa SHOP

The PTO Secret Santa Shop is created for students to do holiday shopping for family and friends on their own. Gifts are priced between \$1.00 and \$5.00. A variety of quality gifts for men, women, children and pets will be offered. We hope to inspire the giving spirit of the season!

3RD GRADE SKATE

3rd graders learned to not only ice skate, but they also had a science lesson on matter at the Lou and Gib Reese Ice Arena in Newark!

THANK YOU to the Columbus Blue Jacket Foundation for making this happen!

Northridge winter athletic teams have been working hard preparing for an exciting season! Be sure to check out a game, match and meet this winter!
