Friday, December 22nd
- Last Day Before Winter Break

Monday, January 8th
- Return from Winter Break

Winter Break is Around the Corner and Learning is Still Happening

As we enter into the final three weeks before Winter Break, I am asking families to take a moment and review again the expectations at school, on the playground and while riding the bus. This time of the school year can be challenging to some as we have just had a long weekend and many of our students are looking forward to another break. Learning is still happening and it is important that we continue to stay healthy, get rest and come to school ready to learn. As always, if you have any concerns please reach out to your student's teacher or the main office.

Thank You Saltar's Point PTA and Volunteers

Thank you to the Saltar's Point PTA and the JBLM soldiers for orchestrating the recess takeovers at our school. These takeovers provide our students the opportunity to have fun as well as allowing them interactions with positive role models. Our students look forward to these take overs as you can see by the joy on their faces when they are playing. This commitment to fostering a sense of community and providing a positive adult presence on the playground is a great example of community partnerships. Thank you for your ongoing support and commitment to our students' growth and happiness.

Thank you for your ongoing efforts in supporting student attendance. We have been averaging around 98% in attendance.
