Lakeisha,

Do you want an additional custodian for the day to help with set up and breakdown and cleaning throughout, or do you just need coverage for the hours the additional hours that the poll workers are there that school is out? I will need to know this information so I will know how to appropriately bill for custodial fees and schedule custodians. **Thank you for your prompt attention to this.**

Director, need timetables for filing and election for Lexington/Richland 5 School Board vacancy

email: "NathanBallentine@schouse.gov Nathan Ballentine" Thursday, July 8, 2021 at 8:32:44 PM Eastern Daylight Time

Cc: email: "ChipHuggins@schouse.gov Chip Huggins" , email: "DickHarpootlian@scsenate.gov Dick Harpootlian"

Director Stephens, thanks for answering my call just now while you're on vacation! As I shared, I am emailing you this evening at the request of Lexington/Richland 5 School Board Chairman Jan Hammond to get the dates for filing (open/close) and election/runoff for a vacancy they have in our community on our School Board.

I was told a letter of resignation was submitted June 14th by a member of the board from Richland County

I was also told that the School Boards has a policy of "30 days" after resignation has been given before it is effective.

Can you let the Board Chairman (copied above) as well as me, Rep Huggins, and Sen Harpootlian know by Monday, July 12th the following information so that Chairman Hammond can share at their board meeting that evening?

- 1) Filing opens
- 2) Filing closes

3) Election Date

4) Runoff Dates

Closer to the election, I'm happy to help your office with any polling location information should you not be able to have staff available for every precinct for the election. We need to get that information out as soon as possible so that voters can be aware of where and when they will be voting.

Sorry for the short notice (you on vacation, deadline Monday) but hopefully you are familiar with timeframes when these vacancies occur in the county.

Thank you for your assistance.

Good afternoon Andrea,

I am aware that the School Board is responsible for the cost of the special election, but I am unable to locate any literature on it. Could you please send me the language that states the responsible party of expenses for the special election?

I have searched but I have not come across anything as of yet.

Thank you,

Hi Ms. Diggs,

Please see attached. I believe this completes all requests. Let me know if you have any trouble getting those into ML Schedules. I also received a copy of your certificate of liability hard copy- thank you!

I'll check back in a week or so to make sure we have all dates approved in ML Schedules.

Thanks and have a great weekend!

Ms. Diggs,

As I have communicated in the two previous emails, your request is not approved until we have received and **approved** the requests in ML Schedules along with obtaining your certificate of liability. Please let me know if you need any help with that portion after referencing the instructions attached in previous emails.

I have attached the completed requests from Lake Murray Elementary, Oak Pointe Elementary, and Dutch Fork Elementary. I will be sending the completed requests for River Springs as soon as I receive them. The other schools you have requested declined.

Please let me know that you have received this information.

Thank you,

Good Afternoon Ms Diggs,

I apologize as we did not realize that both of these days our students will be here. Unfortunately, due to the ongoing COVID restrictions and social distancing required we do not have an area available for these two dates.

I apologize for the confusion.

Thanks so much!

Trish,

When you get a minute I have a question about elections and how they are usually held. The man I spoke with yesterday was quite... insistent about it, but when I talked to Todd he said that we would potentially need to take it to the board. This is the excerpt from the policy about elections--

A political party or the state election commission may conduct a primary or election, without charge, in a school facility based upon availability as determined by the board.

Was this something that went to the Board previously?

Ms. Diggs,

I have received feedback from almost all of the schools, and will be sending the corresponding paperwork to you once I receive information from the last school. Please create a ML Schedules Login so you can formally "book" the areas that the schools are allowing you to request. Below are instructions, but if you need any assistance, please let me know. We will need a copy of your certificate of liability uploaded.

Thank you,

Thank you! I have approved the classifications. I have put you down as District Partner. We are not charging the facility fee, but we are charging for custodial services for your events. Please request the location spaces and sites that have given approval on ML. Let me know if you have any questions or problems, I'm happy to help!

Ms. Diggs,

I have received feedback from almost all of the schools, and will be sending the corresponding paperwork to you once I receive information from the last school. Please create a ML Schedules Login so you can formally "book" the areas that the schools are allowing you to request. Below are instructions, but if you need any assistance, please let me know. We will need a copy of your certificate of liability uploaded.

Thank you,

Trish,

When you get a minute I have a question about elections and how they are usually held. The man I spoke with yesterday was quite... insistent about it, but when I talked to Todd he said that we would potentially need to take it to the board. This is the excerpt from the policy about elections--

A political party or the state election commission may conduct a primary or election, without charge, in a school facility based upon availability as determined by the board.

Was this something that went to the Board previously?

Ms. Diggs,

I have received feedback from almost all of the schools, and will be sending the corresponding paperwork to you once I receive information from the last school. Please create a ML Schedules Login so you can formally "book" the areas that the schools are allowing you to request. Below are instructions, but if you need any assistance, please let me know. We will need a copy of your certificate of liability uploaded.

Thank you,

A couple people from Richland County Elections and OSHA came out about 6 weeks ago and looked at our facility where we are going to have it (GYM). I don't think they cared for the location because it wasn't ideal for handicap access. The only other option would be for them to come in the doors by the cafe and go to the gym. This would mean that they would be coming through our building when children are coming and going to lunch and PE. Someone else was going to call me to discuss more about it but I haven't heard anything from them.

Since we are in orange, can some people come through our building to access the gym?

I talked with Todd, you can have people come through the building. He suggested the front open area of your school?

Good afternoon,

Attorney White and I have been in contact with each other to confirm all dates, and she will confirm all other information at tonight's meeting. If following SC Code 7-13-190, the dates are as follows:

- 1) Filing opens – Noon: Friday, July 30, 2021
- 2) Filing closes – Noon: Monday, August 9, 2021
- 3) Election Date – Tuesday, October 12, 2021

4) Runoff Date – ??? (Looking for legislation on plurality or majority)

Thank you,

Alexandria Stephens

Director Stephens, thanks for answering my call just now while you're on vacation! As I shared, I am emailing you this evening at the request of Lexington/Richland 5 School Board Chairman Jan Hammond to get the dates for filing (open/close) and election/runoff for a vacancy they have in our community on our School Board.

I was told a letter of resignation was submitted June 14th by a member of the board from Richland County

I was also told that the School Boards has a policy of "30 days" after resignation has been given before it is effective.

Can you let the Board Chairman (copied above) as well as me, Rep Huggins, and Sen Harpootlian know by Monday, July 12th the following information so that Chairman Hammond can share at their board meeting that evening?

1) Filing opens

2) Filing closes

3) Election Date

4) Runoff Dates

Closer to the election, I'm happy to help your office with any polling location information should you not be able to have staff available for every precinct for the election. We need to get that information out as soon as possible so that voters can be aware of where and when they will be voting.

Sorry for the short notice (you on vacation, deadline Monday) but hopefully you are familiar with timeframes when these vacancies occur in the county.

Thank you for your assistance.

Hi Ms. Diggs,

I have a question- when will the website be updated to include the updated locations and precincts we have scheduled for the October 12th election? I am having multiple people call me about the posted schedule since Dutch Fork High School, River Springs Elementary, and Spring Hill High are on the list and are not able to host, as well as Chapin Middle who is able to host but isn't on the list.

Thank you!

Hi Ms. Diggs,

I have a question- when will the website be updated to include the updated locations and precincts we have scheduled for the October 12th election? I am having multiple people call me about the posted schedule since Dutch Fork High School, River Springs Elementary, and Spring Hill High are on the list and are not able to host, as well as Chapin Middle who is able to host but isn't on the list.

Thank you!

Thank you! The schools are all just concerned about unnecessary visitors coming to the schools. We have a teacher forum who likes to publicize the elections and they are ready to present that information to those interested as soon as possible.

Good morning,

Per our conversation, our website has been updated with the polling locations for the October 12, 2021, Richland/Lexington School Board District 5 Special Election. The voters affected by this temporary change will be notified by mail, and signage will be posted at the precincts. In addition, the voters can go to scvotes.gov and check to see their temporary locations. Attached is a copy of the updated polling locations. If you need any other assistance feel free to contact my director or me.

Good afternoon,

I have a question- when will the website be updated to include the updated locations and precincts we have scheduled for the October 12th election? I am having multiple people call me about the posted schedule since Dutch Fork High School, River Springs Elementary, and Spring Hill High are on the list and are not able to host, as well as Chapin Middle who is able to host but isn't on the list.

Thank you,

Hey Carli,

Just checking in to see if you heard. The website is still not updated. A friend in the community said the following below....it's got me confused!

I just got done calling the Richland County Elections and Voter Registration office - I asked them if any of the polling locations were going to change because of October 12th being a school day, and they said no. The person I talked to said that voting will take place in a closed off area of each school.

Good afternoon,

I have a question- when will the website be updated to include the updated locations and precincts we have scheduled for the October 12th election? I am having multiple people call me about the posted schedule since Dutch Fork High School, River Springs Elementary, and Spring Hill High are on the list and are not able to host, as well as Chapin Middle who is able to host but isn't on the list.

Thank you,

--

Carli,

They delivered 11 voting machines today. Our school is using a small hallway by our science lab for voting. This is the area we have used in the past when voting has taken place while the students are in school. I do not believe we will be able to accommodate 11 machines. Who do we convey this information to?

Good Afternoon Ann,

The 11 machines were delivered to your precinct because by law we must provide each precinct with a specific amount in accordance with registered voters. Our poll workers will not need or set up all 11 machines on election day and will leave the remainder that's not being used locked and sealed in a secured location.

Thank you
