

# 2021 Chapin Labor Day Parade

Parade Starts at 9:30 AM

PLEASE READ CAREFULLY TO ENSURE YOUR ENTRY NEXT YEAR

We are so excited to see all the wonderful creativity that you have instore for us this year. We are trying to accommodate all entries and also to cut down on the traffic jam! Please read the list to plan you Labor Day Activities!!

As some of you have already signed up for and you can chose to do so at the allotted time even if you did not check the box! You will be able to drop off your float at the HireRight (former GIS) Parking Lot – 917 Chapin Road- the night before!! This will cut down on the traffic the day of the parade.

- Drop off the night before will be from 5pm to 7 pm on Sunday the 5<sup>th</sup>.
- Chapin PD will patrol the area through the night
- Please call Amanda Mohr at 803-360-5517 if you would like to take advantage of this opportunity and you did not already sign up.

- **If you are not dropping off the night before we ask that floats arrive between 7 am and 7:45 am and Cars arrive between 8 am and 8:45. The barricades for entry will be closed at 9:00 am, there will be no entry.**

If you want to arrive earlier than 7:00 am. Please notify Amanda Mohr at 803-360-5517.

- IMPORTANT!! There is no shuttle this year. Please instruct people to Carpool. You are able to still park at Publix or at Lowes Food.
- We have permission to drive through the Publix parking lot and the Methodist Church Cut Through. Please watch your speed so we do not lose this privilege. Attached is a map to show approved routes of exit.

- **The gravel parking lot is for drop off only! NO PARKING!! If you have handicap needs please let us know prior to the event!**

Old Information still applies:

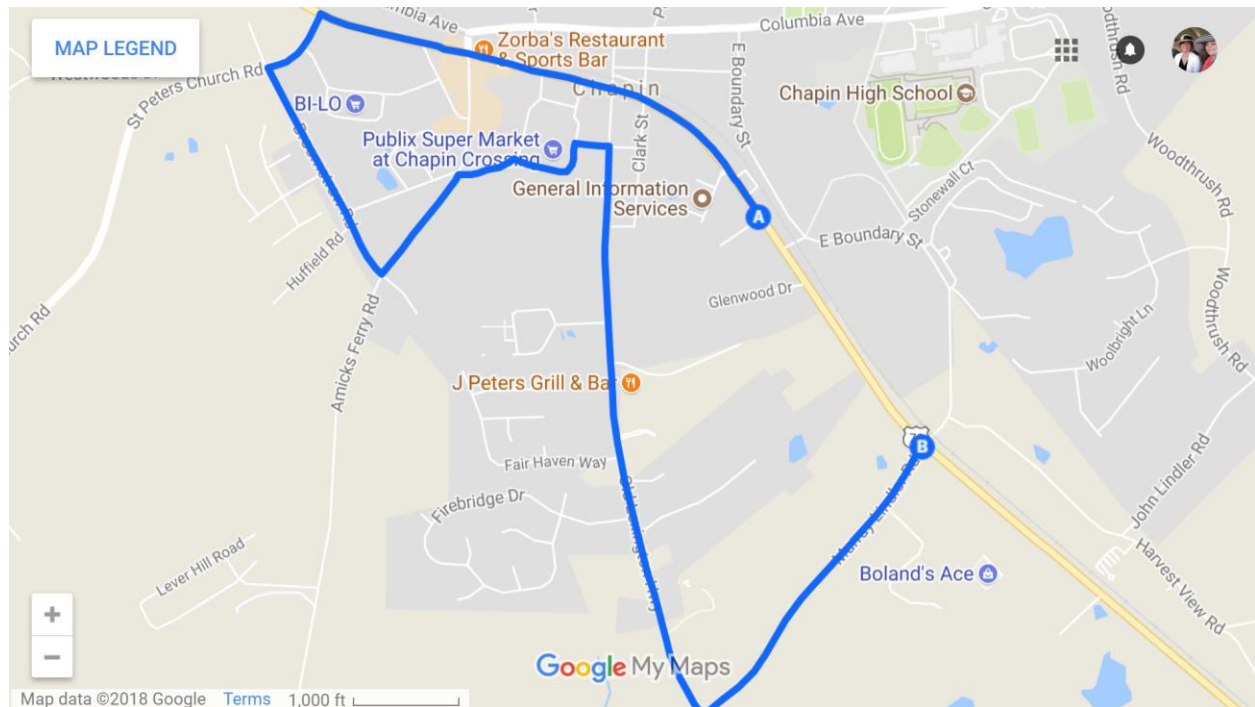

- Please pay attention to the organization in front of and behind you on the line up list. Not all vehicles were able to parked in numerical order so you will need to pay attention to both the lineup and the layout.
- All larger floats please have your FRONT end towards the exit!
- DO NOT leave your space until directed. Please follow the traffic directors.
- Keep parking lot free of trash.
- REMEMBER: You can hand out candy and Literature but you need to have walkers to throw the materials. Do not throw from vehicles.

FLOAT DRIVERS: We will be turning onto Saint Peters Church Rd to enter Lowes Foods and you can continue on the driving the route attached to get around the blocked traffic if you choose!

# Exit Through Publix or Chapin United Methodist

Good evening.

My name is Tifani Moore and I am running for D5 School Board. I reside in Irmo and am a mother to three children attending schools at Crossroads Intermediate and Dutch Fork High School. My husband is a dedicated teacher and coach in this district. I volunteer in this district. I love my community.

One of the things I love most about my community is Irmo's rich diversity. We have families from all backgrounds. You will find a variety of ethnic, cultural, religious, and socio-economic - lending to very different opinions and life perspectives. And that is a *good* thing. That is something we should *all* embrace and celebrate.

**Diversity in a community is important, but diversity on a school board is *imperative*.** And lack of diversity, intended or not, brings division.

Every school, student, teacher and member of the community deserves to be represented in our district. They deserve to have a voice and feel heard. Chapin Schools are *thoroughly* represented on this board. It's past time for other opinions to be heard. This board will not regain community support and respect until there is balance and fair representation, for all students and schools. Regardless of your street address and regardless of which school you are zoned for.

My name is Tifini Moore and I am running for D5 School Board and I support diversity and am committed to bringing much-needed balance to our board. I would appreciate your vote on October 12th.

 21-22 D5 Teacher Voice Survey

Good morning FIVE Elementary!

Teacher Forum wants to hear what we have to say. We use the information we gather to help us direct how we ADVOCATE, ADVANCE, & INSPIRE.

We want to hear what teachers need and have to say. Please be completely honest and in addition to identifying issues, please try to pose any creative solutions they have. The goal is to have a continuing conversation with those who can help address our issues and impact our schools.

Thank you!

If you have any questions or would rather come to me with an issue that I can take to Teacher Forum, please do not hesitate to contact me.

Sincerely,

# 2021 Chapin Labor Day Parade- Masquerade

Hey!

It's hard to believe we are only a few days away from Labor Day. This summer just flew by.

Please see the attached letter, logistical staging map, line-up list and layout.

On behalf of the Labor Day Parade Coordinating Committee, we are very excited for the *2021 Masquerade Parade*. A couple questions that I have been asked and want to make sure get addressed:

-  
It does not have to be a traditional masquerade theme but you do have to have a theme. Using Mask-er-ade is a great way to get creative.

-  
We will line up at HireRight (formerly GIS) and the route goes all the way to St. Peter's Church Road- do not turn into the Lowes Foods. We have attendees at the Hardees that want to see the parade and they will miss it if you turn early.

-  
Visit the festival afterwards, we know it's a long day but there is an amazing children's carnival area, great live music, a classic car show and tons of food.

-  
Even if you decide not to participate in the parade please plan on attending and sharing the information with your friends and family. It is such a great way to showcase our beautiful town.

-  
Participate in the Arts Trail into Chapin Scavenger Hunt for a chance to win great prizes.

If you have any questions, please let me know.

Hi Nicholle,

Just wanted to let you know that the school has pulled the plug on our performance in the labor day parade. I do not believe the NJROTC will be attending either, but I do not want to speak for them.

Hey- I have been speaking with the principal and the school board. Do you know when that decision was made? I totally respect the position that everyone is in but I am having a hard time with the logic that it is unsafe to be in parade outside safely distanced and quarantined off from other floats but being in football stands sitting shoulder to shoulder at another school doesn't seem to be an issue. I know you are just the messenger so please don't take this as any slight against you. It's just disappointing.

Hi Nicholle,

I'm sorry. It is disappointing for us too. I hope I am not telling you something different than what you heard from our principal or the school board. It could be a misunderstanding on my end. When I saw your email I just wanted to let you know. We are certainly looking forward to marching in the parade in the future.

I totally respect the position that everyone is in but I am having a hard time with the logic that it is unsafe to be in parade outside safely distanced and quarantined off from other floats but being in football stands sitting shoulder to shoulder at another school doesn't seem to be an issue. I know you are just the messenger so please don't take this as any slight against you. It's just disappointing.

Hi Nicholle,

Just wanted to let you know that the school has pulled the plug on our performance in the labor day parade. I do not believe the NJROTC will be attending either, but I do not want to speak for them.

Hey!

It's hard to believe we are only a few days away from Labor Day. This summer just flew by.

Please see the attached letter, logistical staging map, line-up list and layout.

On behalf of the Labor Day Parade Coordinating Committee, we are very excited for the *2021 Masquerade Parade*. A couple questions that I have been asked and want to make sure get addressed:

-

It does not have to be a traditional masquerade theme but you do have to have a theme. Using Mask-er-ade is a great way to get creative.

-

We will line up at HireRight (formerly GIS) and the route goes all the way to St. Peter's Church Road- do not turn into the Lowes Foods. We have attendees at the Hardees that want to see the parade and they will miss it if you turn early.

-

Visit the festival afterwards, we know it's a long day but there is an amazing children's carnival area, great live music, a classic car show and tons of food.

-

Even if you decide not to participate in the parade please plan on attending and sharing the information with your friends and family. It is such a great way to showcase our beautiful town.

-

Participate in the Arts Trail into Chapin Scavenger Hunt for a chance to win great prizes.

If you have any questions, please let me know.

The principal seems unsure- the board vp said that was absolutely not the policy and I can't seem to speak to the Superintendent about it so I think everyone is confused.

I am still looking for two more judges- since you won't be participating any chance you would be willing to be a judge for me

I know everyone in our district and at town hall has the best interest of the students and the town at heart, I just believe everyone has different ideas of what that means. Sorry there seems to be confusion.

I am sorry that I will not be able to judge, since we have told the band students that we won't be performing, I made plans to be out of town this weekend.

Hey!

It's hard to believe we are only a few days away from Labor Day. This summer just flew by.

Please see the attached letter, logistical staging map, line-up list and layout.

On behalf of the Labor Day Parade Coordinating Committee, we are very excited for the *2021 Masquerade Parade*. A couple questions that I have been asked and want to make sure get addressed:

-  
It does not have to be a traditional masquerade theme but you do have to have a theme. Using Mask-er-ade is a great way to get creative.

-  
We will line up at HireRight (formerly GIS) and the route goes all the way to St. Peter's Church Road- do not turn into the Lowes Foods. We have attendees at the Hardees that want to see the parade and they will miss it if you turn early.

-

-  
Even if you decide not to participate in the parade please plan on attending and sharing the information with your friends and family. It is such a great way to showcase our beautiful town.

-  
Participate in the Arts Trail into Chapin Scavenger Hunt for a chance to win great prizes.

If you have any questions, please let me know.

# D5 Teacher Forum Survey; voter info for special election

email: "kbrautig@lexrich5.org Kelly Brautigam"

To: email: "d5-bes-all-staff@lexrich5.org D5 BES - All Staff"

Wednesday, September 1, 2021 at 8:33:16 PM Eastern Daylight Time

Hello BES!

District Five Teacher Forum encourages YOU to **professionally** use your voice by completing the [21-22 D5 Teacher Voice Survey](#) to allow the Forum to

ADVOCATE, ADVANCE, & INSPIRE. The D5 Teacher Forum wants to hear what teachers need and have to say. In addition to identifying issues, please pose any creative solutions you may have.

The D5 Forum is composed of District Five's Teachers of the Year. Here at BES, Wendy Price is the 2020-2021 representative, and I am the 2021-2022 representative.

Also attached is an information flyer about the upcoming special election. (With election season at hand, remember District employees cannot campaign on District devices or time.) **The attached flyer is strictly informational only.**

Thanks so much!  
Sincerely,

Kelly L. Brautigam

# Election Info Flyer

I started working on a flyer for our table Friday that has info about the special election. I pulled the dates and locations from Richland County's website, so it should be accurate as of yesterday. I can maybe add a note about checking polling locations, but I don't think they'll change. Look it over and let me know if it's ok or if I should add or change anything. Thanks!

Hi, Nick & Lauryn-

I heard back from our District Office regarding this request. If we proceed forward, all candidates must receive an invitation to join the meeting and share with our SIC. If we go this route, we would need a clear procedure and structure in place. This would also take the entirety of our meeting.

However, since learning of this request, all school board candidates have been invited to participate in a Q&A sponsored through our Teacher Forum. This will be recorded and shared in the coming weeks.

Currently, I have our Interim Superintendent Dr. Ross scheduled to attend our SIC meeting on September 29. Lauryn, would you like for me to cancel this appointment and we proceed forward with invitations to Board candidates?

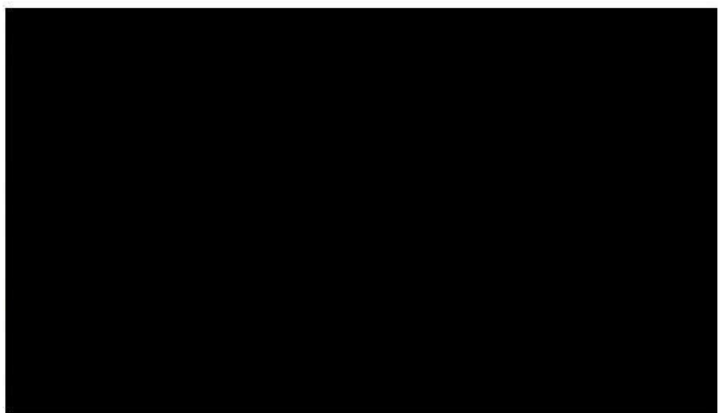

Thanks,  
Kelly

Good morning, Kelly.

Thanks for following up. Since all of the board candidates will be able to speak at the Teacher Forum, I think we should keep the appointment with Dr Ross so that we don't have to sacrifice an entire meeting with the board candidates.

Nick - please let me know if your opinion differs. Thank you!

Sincerely,  
Lauryn

Good Afternoon Mr. Ames,

I hope your week is going well. I'm writing to ask permission to attend your Chapin Football Game on Friday Night and if it would be okay to wear campaign T-shirts and talk to spectators outside the stadium gates? I will not be handing out anything nor will I have a table, etc. there will just be about 4-5 of us greeting people as they walk toward the game.

I do not wish to get anyone in trouble so I wanted to reach out and ask permission as this is your school.

I look forward to hearing from you and wish you a big win on Friday.

Best Regards,  
Tifani Moore

Hi Mr. Ames-

District Five Board Policy KHE states, "Upon request, the District may grant permission for current and prospective public officeholders and/or their campaign workers to distribute campaign literature on district-owned property after regular school hours (e.g., at athletic events). The District reserves the right to curtail such activity if it becomes disruptive or otherwise interferes with school activities."

Based on this information, I do not see a problem with Ms. Moore talking to people outside of your stadium, as long as it does not become disruptive.

Thanks for checking with us!

Good Afternoon Mr. Ames,

I hope your week is going well. I'm writing to ask permission to attend your Chapin Football Game on Friday Night and if it would be okay to wear campaign T-shirts and talk to spectators outside the stadium gates? I will not be handing out anything nor will I have a table, etc. there will just be about 4-5 of us greeting people as they walk toward the game.

I do not wish to get anyone in trouble so I wanted to reach out and ask permission as this is your school.

I look forward to hearing from you and wish you a big win on Friday.

Best Regards,  
Tifani Moore

Hey!

It's hard to believe we are only a few days away from Labor Day. This summer just flew by.

Please see the attached letter, logistical staging map, line-up list and layout.

On behalf of the Labor Day Parade Coordinating Committee, we are very excited for the *2021 Masquerade Parade*. A couple questions that I have been asked and want to make sure get addressed:

-

It does not have to be a traditional masquerade theme but you do have to have a theme. Using Mask-er-ade is a great way to get creative.

-

We will line up at HireRight (formerly GIS) and the route goes all the way to St. Peter's Church Road- do not turn into the Lowes Foods. We have attendees at the Hardees that want to see the parade and they will miss it if you turn early.

-

Visit the festival afterwards, we know it's a long day but there is an amazing children's carnival area, great live music, a classic car show and tons of food.

-

Even if you decide not to participate in the parade please plan on attending and sharing the information with your friends and family. It is such a great way to showcase our beautiful town.

-

Participate in the Arts Trail into Chapin Scavenger Hunt for a chance to win great prizes.

If you have any questions, please let me know.

Hi Wolf PACK,  
Here's some information from a group that truly has our back....the D5 Teacher Forum.  
1. The attached form has info about the special election coming up to fill the vacant Richland County seat on the D5 Board of Trustees.  
2. In an effort to advocate for ALL of us, they are asking us to complete the survey included in this email.  
I just did it...it took about 6 minutes to complete because I had a LOT on my mind. Otherwise it would have taken even less time.  
The survey states that you can submit it anonymously or that you can identify yourself. In fact, it specifically states that email addresses are not collected when you submit your survey. So there's that.

I don't know which ones of y'all need to hear this... but don't let anyone treat you like flimsy sandwich bread. You, my friends, are Red Lobster garlic, cheddar biscuits. Remember that.

Peace, Chapman

Hi LMES Family!

I hope you are all having a good week and staying healthy. During my Teacher Forum meeting today, we were encouraged to share this [Teacher Voice Survey](#) again. This is the same survey that I sent out earlier this year. If you have already filled it out you do not have to do it again. We have received great feedback from this survey so far and want to hear more about what teachers need and what they have to say. In addition to identifying issues, please share any creative solutions you may have. Filling out this survey will help Teacher Forum members advocate, advance, and inspire. Thank you for taking a few minutes to complete this, it is so important that your voice is heard!

Please also take some time to look over the voting information, at the bottom of this email, regarding the upcoming special election. It is important that we stay informed!

Yes ma'am, as long as this is in alignment with how Teacher Forum information is typically shared with your staff.

Good Evening,

My name is Tifani Moore. I reside in Irmo and am the mother of three children attending schools at Crossroads Intermediate and Dutch Fork High School. My husband is a dedicated teacher and coach in this district. I volunteer in this district. I love my community.

One of the things I love most about this community is Irmo’s rich diversity. We have families from ALL backgrounds. You will find a variety of ethnic, cultural, religious and socio- economic; lending to very different opinions and life perspectives. And that is a good thing. That is something we should all embrace and celebrate.

Diversity in a community is important but diversity on a school board is imperative. And lack of diversity, intended or not, brings division.

Every school, student, teacher, and member of the community deserves to be represented in our district. They deserve to have a voice and feel heard.

This board will not regain community support and respect until there is a balance and fair representation, for all students, for all teachers, and all schools, regardless of your street address and regardless of what school you are zoned for.

Tifani Moore

Hello, candidates. The District Five Teacher Forum thanks you for your desire to be involved in the operations of our district by running for the open Richland County seat on the District Five Board of Trustees. In order for constituents to make an informed decision regarding their vote, we would like to invite you to participate in our 2021 Candidate Forum for the Richland County Special Election.

Unlike candidate forums of the past, this candidate forum will be modified to suit our current climate of COVID-19 protocols for social distancing. Instead of hosting one in-person event in which all candidates are present on a panel as we've done in the past, we will ask individual candidates to attend their own recorded video conference/interview.

To ensure equity and fairness, we will follow the same procedure for each candidate for these interviews. The entire 35-minute interview will be recorded, but only your candidate introduction and answers to five questions will be shared on our social media. We will release answers to only one question at a time on our social media in the weeks leading up to the election. This will allow the public to focus on only one question at a time and each candidate's response to that same question while also allowing them to attend from the safety and convenience of their own homes.

There will also be both prepared and impromptu segments of the interview. You may prepare a three-minute introductory statement as well as three-minute responses to the first two questions (refer to questions in the meeting

agenda at the end of this email). The other three questions will be shared with you during the interview and you will need to answer them extemporaneously. You will have three minutes to answer each question.

Once each candidate has participated in the recorded video call, Teacher Forum will splice each candidate's video into the following sections: candidate introduction, question 1, question 2, question 3, question 4, and question 5. We will post a merged video of each of these sections on our FaceBook page in the weeks leading up to the election. For example, the first day we will release one merged video of each candidate's prepared introduction. A few days later, we will release one merged video of each candidate's response to question 1. We will continue these releases until all portions of each interview have been shared. Please note that we will not edit candidate responses in any way beyond the splicing to separate sections and then the merging of each section with the other candidates' responses. Additionally, the order of the spliced responses will rotate each time.

Please remember that we are busy teachers, and we have to work around our teaching and our families. **These are the times we have available for video conferencing:**

- Tuesday, September 7 at 6:00-6:35 pm
- Tuesday, September 7 at 8:00-8:35 pm
- Wednesday, September 8 at 8:00-8:35 pm
- Thursday, September 9 at 6:00-6:35 pm
- Thursday, September 9 at 8:00-8:35 pm

Please choose a date and time that works for you. We will accept appointments on a first come/first served basis via our email: [d5teacherforum@gmail.com](mailto:d5teacherforum@gmail.com) . **Please respond by Wednesday, September 1st by 5:00pm.**

---

**To review, the agenda for each 35-minute candidate interview/conference will be as follows:**

**Opening (5 minutes)**

- Overview of procedures with Teacher Forum staff (This will take about 5 minutes and will be time for us all to "get situated" and review procedures.)

**Candidate Responses (25 minutes - There is a little extra time built in that allows for questions to be read/repeated. This portion will be shared on our social media.)**

- Candidate introduction (3-minute prepared introduction to constituents)
  - **Please introduce yourself.** In your introduction, give a specific description of involvement/volunteerism in schools and the district in the recent past that make you a good candidate for the D5 Board of Trustees and why you chose to run for school board at this time.
- Question 1 response (3-minute prepared response to the following question)
  - Question 1: Educating our children in the midst of a **COVID** pandemic is probably the number one issue you will deal with as a trustee this year. Please share your specific positions on COVID-related issues such as masking, quarantining, vaccines, and virtual instruction/mitigation strategies.
- Question 2 response (3-minute prepared response to the following question)
  - Question 2: What is the **role of a school board**? We want to hear your thoughts about your own leadership responsibilities as a trustee and about the relationship with the superintendent. Please give specifics.
- Question 3 response (3 minutes - Question will be asked "live," and you will provide an extemporaneous response.)
- Question 4 response (3 minutes - Question will be asked "live," and you will provide an extemporaneous response.)
- Question 5 response (3 minutes - Question will be asked "live," and you will provide an extemporaneous response.)

**Meeting Conclusion (5 minutes)**

- The Teacher Forum executive staff will review the posting procedures with you and conclude the meeting.

---

We look forward to getting to know you and talking with you about issues that are important to our district.

# School Tour

To: email: "rlhardy@lexrich5.org"

Good Afternoon,

I hope this email finds you well and your week off to a great start.  
As you may be aware, I'm currently running for the LR5 special election to be held October 12, 2021.

I wanted to reach out to see if it was possible to have a tour of Irmo High School? I'm very passionate about supporting all of our admins, teachers, and students and feel that being able to walk the halls and see what's happening will help me better understand what they need. We can't assume what's best for one school is best for another.  
I've seen the 2019 Assessment and as a parent in D5, I'm shocked that more isn't being done from our board to make these changes happen faster.

I hope to hear from you soon.

Best in Health,

Tifani Moore

Greetings,

Thank you for contacting me. I truly appreciate your care and support. I would be happy to give you a tour of our school. With current COVID mitigation at "Level Orange," we would need to arrange a time when the majority of students are off campus. Will you please send me some scheduling options ~ maybe three dates for any time after 4:00 for us to connect? I look forward to meeting you.

Hi Robin,  
My sincere apologies on taking so long to get back to you, I had all three kids home quarantined so I had to shift my time this past week.  
Here are some dates, please let me know how these work for you.

Wednesday ( tomorrow) after 4pm  
Monday (September 13th)  
Wednesday ( September 15th)

If none of those dates work I'm happy to send you more.

I hope you enjoyed your long weekend!

Good Afternoon Dr. Gary,

I hope your week is going well. I'm reaching out to you to see if it would be okay for 4-5 individuals to be present at the September 24th Football Game? Sadly I can not attend due to work obligations however a few supporters who graduated from DFHS would like to greet spectators as they walk toward the stadium. There will be no flyers or cards given out, just "Hi's" and "Please support Tifani Moore for School Board".

I in no way wish to get anyone in trouble therefore I wanted to ask you for permission before next Friday's game.

Please let me know your thoughts on this. I look forward to hearing from you and seeing DF Football with another WIN on the board.

Hope you have a great week.

Thank you! I have shared but I have teachers asking where we can find information about the individual candidates. Where can I direct them to this information? Can I direct them to the Lex/Rich D5 Teacher Forum FB page? I know there was a post late August to stay tuned for more information on the candidates but was not sure if there was another place they could visit to learn more about these individuals? Thanks for your help!

Hey, Jessica. This is Amy Carter. Feel free to call me if you want to chat further [REDACTED]. Sorry for the delay in response. I've been traveling for the past two days. TF will release some kind of statement in the next day or so on social media answering this question. For now, this is my draft (it's a bit long and might need some clarification). But this may help you answer questions if you get them before we answer this on FB:

District Five Teacher Forum would like to announce plans for our 2021 Special Election Candidate Forum for the open Richland County school board seat.

All four candidates running for the seat (Griggs, Herring, Lazenby, & Moore) have agreed to be interviewed by the executive staff of Teacher Forum next week. They will participate in individual 35 minute recorded interviews in which they will each offer introductions and then answer five questions. Two of the questions have been provided to them ahead of time so they can prepare their responses; the remaining three will be asked in the interview and answered extemporaneously.

Once each candidate has been interviewed, Teacher Forum will splice the videos into their separate interview sections for gradual release on our social media. Each video will be about 12 minutes in length (3 minutes per candidate). We plan to release the first video on September 13 and continue releasing videos every few days until all sections of the interview are shared. The spliced and merged content will follow this release plan:

- Video #1: Candidate introductions (3 minutes per candidate/12-minute video)
- Video #2: Candidate responses to question #1 (3 minutes per candidate/12-minute video)
- Video #3: Candidate responses to question #2 (3 minutes per candidate/12-minute video)
- Video #4: Candidate responses to question #3 (3 minutes per candidate/12-minute video)
- Video #5: Candidate responses to question #4 (3 minutes per candidate/12-minute video)
- Video #6: Candidate responses to question #5 (3 minutes per candidate/12-minute video)

The specific content of each question/prompt will be posted with each video release.

Thank you! I have shared but I have teachers asking where we can find information about the individual candidates. Where can I direct them to this information? Can I direct them to the Lex/Rich D5 Teacher Forum FB page? I know there was a post late August to stay tuned for more information on the candidates but was not sure if there was another place they could visit to learn more about these individuals? Thanks for your help!

Good Evening Educators,

We are having a short zoom meeting ( see below for the invite) to organize for the Board of Trustees Special election. John Kawamoto is organizing our efforts in support of Tifani Moore. Our LR5EA has recommended Ms. Moore for many reasons. If you cannot attend Thursday evening and you live in Richland County we ask that you vote for **Tifani Moore on October 12.**

You are also invited to The SCEA Midlands group social at WECO on October 8. It is Outdoors. Members are able to have a free meal and Meet our New staff person Kaneale Cornell.

Peter Lauzon is inviting you to a scheduled Zoom meeting.

Wednesday, September 8, 2021 at 8:19:54 PM Eastern Daylight Time

Hello all! Attached is a voting information pdf from The Teacher Forum that I wanted to make sure everyone was aware of!

Blythe Robertson, M. Ed., NBCT  
1st Grade Teacher  
Nursery Road Elementary-Arts Magnet

**Attachments:**

**Special Election Info (1).pdf** 195k

---

1. What are your top three priorities for L-R 5 schools? **[Go with the first three and leave off the “balance” on the website. Would not lift statements, but paraphrase the sections in a single phrase, at most a sentence]**
2. Aside from competitive pay, what do you propose that D5 should do to attract and retain teachers? **LR5 has maintained very productive relationships with area universities that has resulted in a strong pipeline of educators entering our schools. Much of the desire to work in the district is a result of ongoing efforts to build teacher professional development, both preservice and inservice, into the life of our schools. That is a great thing. The teacher shortage though, both within our state and beyond, is largely the result of teachers leaving the profession prior to retirement. We have to ensure that beginning teachers engage in mentoring programs that are proven to support them in staying in the classroom. We have to provide opportunities for teachers to engage in leadership without leaving the classroom, and we have to ensure that we, as a community and a school board, do all we can to support the teaching profession so that our children are served well.**

3. Do you support or oppose increasing local contributions towards salaries for education so that they are nationally competitive? If in support, what proposals would you make or support to achieve this? **Younger generations are more comfortable with moving frequently and over greater distances than ever before. LR5 isn't just competing with other Midlands districts for hires, we are competing with North Carolina and Georgia. Time and again compensation is among the top reasons teachers choose to leave the profession. If we are to create a stable workforce, we have to invest in strong, competitive salaries for our educators that allow us to attract and retain the best educator workforce in the state.**
4. Education Support Professionals are our support staff like instructional assistants, bus drivers, custodial staff, etc. Many of these essential workers have to work more than one job to make ends meet. How do you propose to ensure that ESP can thrive in our district? **There are likely a variety of ways in which this could be addressed, including increased compensation, opportunities for workplace advancement, investment in professional and technical education that all work to ensure ESPs have the resources needed to thrive in LR5.**

5. Do you support or oppose vouchers or tuition tax credits for parents sending their children to private, parochial or home schools? **The taxes we pay are intended to support the collective good of our society. We all take advantage of roadways to travel to school, work, vacation, etc. We have designated roads as a shared, collective interest. In the same way, our public schools exist as a collective interest - to educate all of our children so that they have a multitude of opportunities in their adult lives. Disinvestment in public schools to invest public dollars in private schools undermines the notion of a collective good. It would be like developing your own private roadway system at the expense of the existing one. Only a few would have access to the private system, it might not be any better and could in fact be worse, and it most certainly hurts the collective good.**
6. What are your views on charter schools? **As with anything else, there are finite resources available to support education. The more spread out those resources, the more difficult it becomes to adequately fund any one priority. Our best path forward is to invest in the schools we have and expand upon LR5's rich history as a leader in education in our state.**

8. How would you like to see District 5 proceed with redistricting? **Community schooling is powerful. In that, local communities, in conjunction with district and school leaders, are able to address the unique needs of each community. While we are one district, there is no doubt that needs vary from one community to another within LR5. Redistricting should recognize the power community prioritization and seek to organize redistricting that supports local needs while addressing current and forecasted population changes in our area.**
9. What does the term transparency mean to you regarding the D5 Board of Trustees? **First, state law demands transparency on the part of school boards. But we shouldn't use state law as the threshold for success - we must provide the community with open dialogue as well as open discussions of justifications for decisions. Each board member carries a responsibility to their constituency to justify votes and listen to the input of members of the community, including LR5 employees.**

10. Are you in favor of standing committees for the Board of Trustees? Why or why not? **The South Carolina School Board Association has recommended against the use of standing committees. I look forward to hearing more about both the justification for the SCSBA recommendation, as well as the recommendation for standing committees among some in LR5. Our district doesn't operate on an island, so learning best practices from others is critical. It is also important to note where LR5 is unique and it's needs are different from other communities,** and whether or how standing committees serve to address our unique qualities.
11. What should be the district's response in DHEC and/or the State Dept of Ed enact requirements or guidance for health emergencies, including but not limited to Covid-19? What steps should D5 take to keep educators, students and the community safe during a health emergency as mentioned above? **When the district needs legal advice, it relies on attorneys, when it needs instructional expertise, it relies on educators. When we face a public health emergency, such as COVID-19, we must rely on the guidance of public health experts. The board's role is ensuring that it is collecting the right expertise for the question at hand.**
12. Would you support policies or legislation that gives teachers more power over their contracts and prevents them from being "blackballed"? **Teachers are professional educators and need to be treated as such. Contracts should clearly delineate the scope of expectations and include as much professional agency as possible.**
