Dear Mr. Bisi,

The School District does not possess any text messages responsive to your FOIA request. Our IT department did reach out to our cellphone provider(s) requesting any responsive text messages (if they exist). As of today, we have not yet heard back from the provider(s). If the provider(s) are able to locate responsive text messages, we will let you know and supplement the response accordingly.

Regards,
Candace

Candace,

Upon reviewing your website's FOIA response log to my request of October 3, I did not see any text messages even thought that was part of my request.
