RCHS Arrival/Dismissal

Below is a very important message from our Safety & Security Department after evaluating our dismissal and traffic process. Please adhere to these guidelines. Parent pick-up and drop-off is at the front of the building on E. Brookland Park Blvd. Students and parents should be using the crosswalks at each corner to safely cross the street. Mid-block crossing is dangerous, and visibility is limited. Drivers should follow traffic laws at all times. To avoid traffic collisions, no U-turns should be done in the middle of the street. We want all students and their families to arrive and depart safely at all times.

Please avoid using Woodrow Ave. if possible, as this street is used for bus arrival and dismissal. If you have to use Woodrow Ave. when buses are loading and unloading, **vehicles are to remain stopped while the stop sign is out and flashing red.** (<https://law.lis.virginia.gov/vacode/46.2-859>) There is a fine of \$250 for violations of passing a stopped school bus.

**The safety of our students, staff, and community is our priority. Let us all do our part!

Transportation

Please visit the link below for the most recent bus stop information. I strongly encourage you to look at this again over the weekend to ensure you are viewing updates. Once you click on the link, please click the high school tab and you will see all bus routes for RCHS. Link is also provided below;

***All student drivers MUST have an application on file in the main office. Not completing this step will result in driving privileges being revoked.

**Caregivers: Please discuss safety with your drivers. This week we experienced a student driver turning onto Woodrow Ave. while the Bus Stop Sign was out (\$250.00 fine). We dismiss drivers early to prevent this from happening. However, we have some drivers who are playing in the parking lot and packing their cars with students, which is not allowed for new student drivers. We will move aggressively with addressing these concerns. Safety is our priority!

RCHS Procedures

- Main Doors open at 8:40am for scholars. Those who arrive early will have to wait outside of the school building until opening time indicated. Students who are not eating breakfast will report directly to the auditorium for our daily Morning Meeting. Scholars who are eating breakfast will report to the cafeteria and will transition to our Morning Meeting at the sound of the bell.
- Breakfast will close daily at 9:00am. Scholars who are late due to RPS transportation will have the opportunity to eat breakfast. Car riders and drivers who arrive late will not be permitted to breakfast.
- At the conclusion of our daily Morning Meeting, scholars will transition to their 1st period classes except during the first week of school, when scholars will transition to Family for important information.
- Lunch times will vary based on the bell schedule of the day. We have a total of four bell schedules (Regular, Activity, and Family).
- Please sign and return all RCHS forms and have your students return them by Thursday, August 24th.
- Scholars who request a schedule change will be directed to complete a schedule change request form via QR code that will be located around the school building starting the first day of school. The last day to make a schedule change is Friday, September 8th. No changes will happen after this date.
- All scholars must use the sign-in/sign-out system when leaving their classroom after receiving permission from their teacher. This is standard practice for our school culture.
- We will implement our 10/10 rule, which indicates no movement in the building during the first ten minutes and last ten minutes of class, unless it's an emergency.
- All scholars who drive must complete the driving form; driving privileges will be revoked if proper steps are not followed. Privileges can also be revoked at the discretion of the principal for disciplinary reasons.
- The SCORE (Student Code of Responsible Ethics) must be followed by all scholars daily.
- The Honor Code must be followed by all scholars.

November is Career Development Month. During the month, grades 9 -11 students will complete career and interest surveys with Ms. Williams. The surveys help with both academic and career planning. Seniors can schedule individual time with Ms. Williams to discuss additional career planning goals.

****JUNIOR PARENTS ONLY****

Collectively junior students that are classified as a car driver and/or parent drop-off student are excessively tardy to school which negatively impacts our daily morning meetings. This occurrence violates our standards and expectations. Please have this conversation with your student(s) in the hopes that this will improve quickly. Thanks in advance for your support.

The Key Club is thrilled to announce the latest initiative – a food drive dedicated to supporting Feedmore. We invite every one of you to join us in making a difference! We aim to collect 1000 items to contribute to Feedmore's mission of ensuring no one in our community goes hungry this holiday season.

Now through November 21st, we are accepting non-perishable items such as canned goods, pasta, rice, and other non-perishable items. We also welcome monetary contributions to help purchase additional items or give directly to Fedmore.

Your generosity can make a significant impact on those in need within our community. Let's come together as the RCHS family and show the power of collaboration and compassion.
