RE: Procurement Consulting Services Addendum

Dear Trustee Hines:

To properly reflect Board decisions, we are amending the terms of the original engagement letter.

In accordance with Board approval of the extension of our work from June 30, 2022 through December 31, 2022 and as of last night's vote through January 31, 2023, the new delivery terms of the consulting engagement are as follows: Our testing will conclude January 31, 2023 and our report will be presented to the Board of Education in February 2023.

If you have any questions, please do not hesitate to contact me.

If the new terms described above are satisfactory, please so indicate by signing and returning this letter, keeping a copy for your records.

We look forward to continuing to work with the District to successful conclusion.
