

Carberry Elementary School

**Emmett School District
Greg Alexander, Principal**

Highlights:

- ★ Door locking mechanisms were installed last weekend. All but 3 have been completed. Teachers no longer have to remember to lock their doors when they come in.
- ★ Just received news that our Idaho Commission for Libraries, \$15,000 grant was awarded for us to focus on Out-of-School Planning to help support some of our bubble students that need a little more one day a week. We will now have 2 days after school with the activities grant and this one.
- ★ We had 406 of 419 student families attend Parent Teacher Conferences or 97%. Our teachers were also blessed with a Soup PotLuck put on by families and the PTO/PAC. My personal favorite this time was Jason Sebastian's Shrimp soup, followed by Katie Walton's Cheese and Broccoli soup.
- ★ Holding our 1st Trunk or Treat on Halloween, Tuesday from 2:00 - 3:00 pm. We have approximately 30 cars coming to our East Parking lot, also the Fire Department with a big Truck and Police bringing a car as well.
- ★ Growth and Development talk coming this week.
- ★ Mr. Alexander will be attending the Project Leadership Vanhemert Academy in Sun Valley, November 6-8th. He is the Region 3 Liaison helping new leaders with training and support.
- ★ Lee Pesky came out Nov 3rd to work with CES and Butte View teachers on writing. Teachers really get a lot of support from them and their expertise.
