

Inside Scoop

Hockinson High School - 2023-2024

December 1, 2023

Dear Hawk Students, Families, and Friends:

It's December 1!

Wow, this fall has really gone by fast. And last night was just an indication of the fast paced action at Hockinson High School. In basketball, we played Tenison Woods College from Adelaide, Australia. We were one of the legs of their North America tour. It was an amazing night of basketball, but they could not stop talking about the environment our school and community provided. They were so enthralled with our cheerleaders and were impressed by our band that learned to play the Australian national anthem. We didn't come away with victories on the court, but we certainly won the hospitality award. They want to come back in two years. This is a testament to our amazing students, staff, school, and community. Nicely done, all!

Another amazing event - join us tonight for our Winter Band Concert at 7:30pm in the MPR!

World Language Competency Testing

We will be offering World Language Competency testing in January. If you are interested, please review the [information enclosed in this letter](#) and complete the [interest form](#) (Google Form).

H2P Student Survey

Our school has partnered with Washington STEM to understand students' experiences in the process of moving from high school to their chosen post-high school pathway. The purpose of this survey is to gather information about your experience so far. Survey participation helps us improve our school and the services we provide you.

Your answers to these questions will be kept **confidential** and **anonymous** to the extent permitted by law and all findings will be reported by summarizing data across students – **individual responses will NOT be reported.**

There are questions about your identity, but **your name will NOT be on the survey and your individual responses will NOT be shared with your teachers, administrators, other students, or your parents/legal guardians.**

Completing the survey presents minimal risk to you. If you feel uncomfortable/upset during or after the survey, or have any questions, please talk to your advisory teacher, counselor, or school administrator.

The survey should take about 10 minutes to complete. Filling out this survey is voluntary, and you may choose to stop taking the survey at any time.
