HIGH SCHOOL GRADUATION

&

FOUR-YEAR COLLEGE ENTRANCE REQUIREMENTS

What is the “Personal Pathway”?

- Students who plan on attending a four-year college should take at least two years of the same World Language in high school.
- Students who plan on joining the military or attending two-year community or technical colleges after high school can take other classes. The classes they choose must align with their post-secondary plans. This is their “Personal Pathway”.
- Unsure? Don't close the door on the option of attending a four-year college!

Additional Graduation Requirements

- ✓ Cumulative **2.0 GPA**
- ✓ **40 hours** of community service
- ✓ High School & Beyond Plan
- ✓ **WA State History** in middle school (7th & 8th grade) or high school
- ✓ State testing requirements for English Language Arts (ELA) and Math
 - Meet requirements through your Graduation Pathway

Planning and Balance to Achieve your goals!

Colleges want to see Rigor and Balance

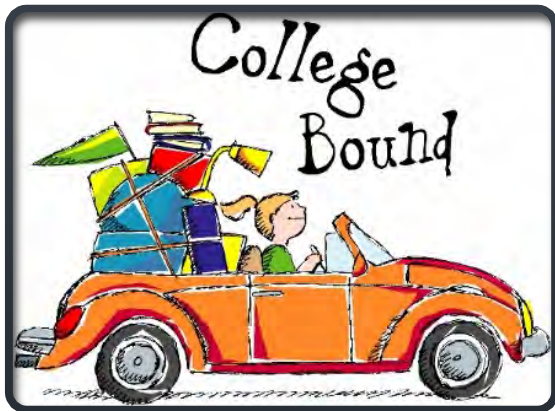

What does Balance mean?

- Budget time – homework/friends/work/rest/hobbies
- Utilize “Planning your Schedule” form

Pursue passion area (elective or club)

Strong Start! - 9th grade grades matter

Why challenge yourself in high school?

- Increasing rigor (*with balance*) throughout high school is critical for starting strong as a college freshman.
- Math is a gate-keeper for many majors and needs to be taken all four years in high school.
- Biology, Chemistry and Physics are minimum science requirements for many majors.
- 2 or more years of a language
- Fine art (UC = 1 year of same class)

AVID

What is it?

- Year-long elective for motivated students to:
 - raise grades
 - build strategies for high school & college success
- Incorporates study & test taking strategies, organization, note-taking, guest speakers and field trips
- Participation in AVID *directly* improves grades & learning
- It will not give you more homework, but it will improve the way you do school

Want to sign up?

- Ask your school counselor for next steps.
- Students have been/will be interviewed & selected for this unique program.

Please Choose Carefully

- Courses will be offered next year only if enough students register this Spring to fill a class.
- **Think carefully** about your choices now so that the courses you want will be available next year.
- Once your schedule is built, changing your schedule will happen only under extenuating circumstances.
