MESSAGE FROM OUR PRINCIPAL

"As we begin December, I look back at how quickly this school year has gone so far. Throughout these first few months, in my new role, I want to thank each and every one of you for your patience and support. I truly love the wonderful students, families and community that we have at AVHS. Please help us encourage our students to stay focused and include study time to prepare them for FINALS week. On behalf of the staff at AVHS, have a joyous holiday season and a prosperous New Year!"

Principal Gonzalez

SEMESTER GRADES ARE ALMOST DONE!

As your student progresses through their high school education, their GPA is cumulative. This becomes really important for their college applications and graduation. Please make sure that your student is trying to improve any grades and that they are following the A-C requirements.

The last day to fix any grades that are going on their transcript for this first semester is on December 14. Our last day for Saturday School for this semester is December 2. If your student attends they can receive full credit on their late assignments, make up an absence, or receive homework help. Please encourage your student to attend if they need to!

TEACHER OF THE MONTH

"As the lead of our esteemed academy, I am thrilled to share that we stand out as one of the few academies in the district to have a Career Technical Student Organization (CTSO) which is DECA. DECA is an international organization that prepares emerging leaders and entrepreneurs in marketing, finance, hospitality, and management in high schools and colleges around the globe. This alignment with DECA underscores our commitment to providing our students with practical, real-world experiences and insights into the business world. Beyond my professional role, I am passionate about building connections within the broader community. I actively network with other local business owners, fostering relationships that benefit both our academy and the community at large. In my personal life, I cherish the time spent exploring new places and creating memories with my fiancée and our beloved dog, finding a perfect balance between my professional endeavors and personal fulfillment."
