4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the up coming school year.

For 2022-23, we will dig in on the 21-22 plan. In addition, work has been done to level up on boarding for incoming 9th graders.

ASB Card Possession:

- 1) In the fall, the school will identify all students who qualify for a free ASB card and issue one to each qualifying student automatically.
- 2) The district will create a 1-page informational flier on the benefits of having an ASB card.

Participation:

- 1) At the beginning of each athletic season, the school will advertise that participation in athletics is free to any student that qualifies for FRL or the College Bound Scholarship Program. It will be advertised through email, ASB social media, and in-school announcements.
- 2) The school will utilize its family connection centers to send targeted communications to students/families that qualify.
- 3) At the beginning of each athletic season, the school will advertise that those that need support in acquiring gear for participation in sports (cleats, baseball glove) can qualify for additional assistance through building support groups. It will be advertised through email, ASB social media, and in-school announcements.
