

WEEKLY UPDATE

12.1.23

Message from the PTA:

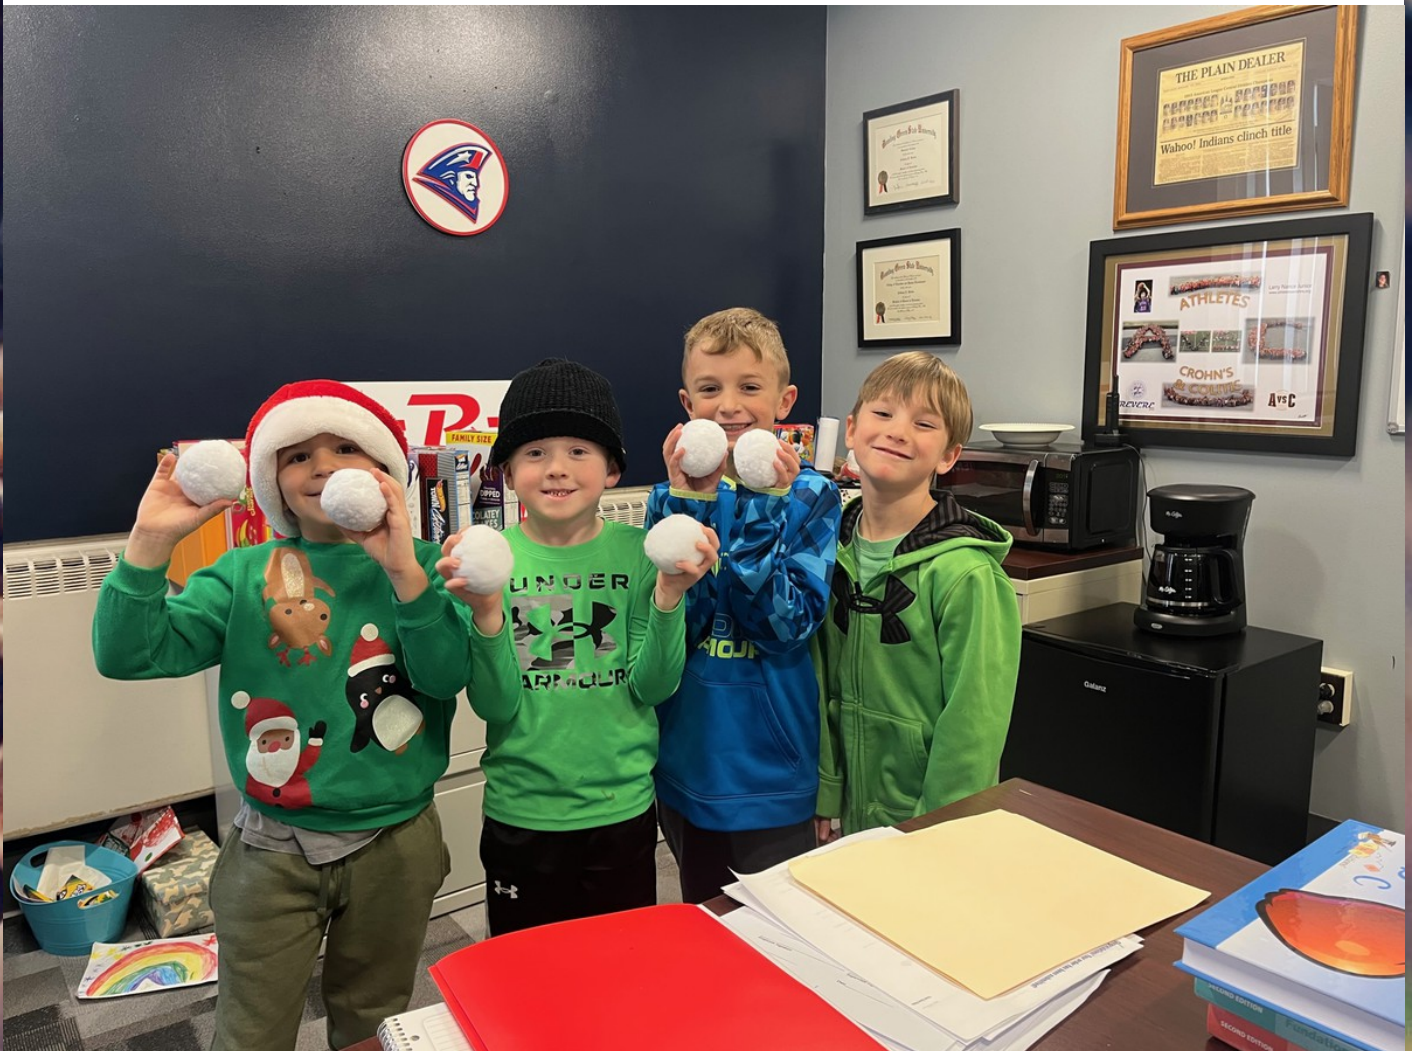

We're looking forward to seeing everyone at the Winter Wonderland Pancake Breakfast this Sunday! A limited number of tickets will be available at the door, and some spiritwear will be available for purchase as well. The breakfast will run from 10-1, so please feel free to come any time within the 3 hours. We are also collecting new toys or gift cards for a donation to Akron Children's Hospital. Thank you!

Our annual holiday shop kicks off on Monday! Information should have come home this past week about your student's shopping day. If you would like your student to shop, please send them with cash in a sealed envelope and include a list of names the student should be shopping for. Students are paired up with an adult volunteer to help them shop, and all gifts are wrapped and sent home with the student that day. Please reach out if you have any questions!

The last day to sign up for December Birthday Book Club is next Thursday, 12/7. You can sign up [here](#)

Be sure to check out the sign up for Ms. Petridis' STEM classes next week. [First grade can sign up here](#) and [Second grade can sign up here](#).

Thank you and have a great weekend!

Message from Nurse Tara

Just a couple of reminders as we enter the busy season for germs:

- Fever/vomiting/diarrhea: May return after 24 hours once these have resolved without medication
- Undetermined rash or conjunctivitis (pink-eye): May return once cleared or 24 hours after treatment has started
- COVID: May return 5 days after the first symptom or positive test result (day one is the day after)
- Severe cough/cold: If symptoms interfere with your student's learning or that of their classmates'. Or if they are unable to cover their mouth/nose when sneezing or coughing.
- When in doubt, keep them out and call the school's clinic.

Please help us out in reiterating the importance of proper and effective handwashing.

Thank you!!
