

FOOD DRIVE

**DECEMBER
1ST - 15TH**

MISSION

It is with great excitement to announce our annual food drive is running again this year! This is a part of a state-wide service with Project 351, a non-profit organization dedicated to the commitment and growth of youth leadership. With 44 million people, including 13 million children, currently experiencing food insecurity in the United States, we can help to ensure that our neighbors, family, and friends across the state of Massachusetts have access to nutritious food this holiday season.

All donations will benefit the greater Wareham/New Bedford area. All donations are greatly appreciated! Thank you!!!

DROP-OFF LOCATIONS

Center School, Old Hammondtown School, ORRJHS, and ORRHs

**Collection boxes will be located inside near the front entryways.*
