

EL Literacy Remote Learning Part

December

Dear parents!

This is your child's Literacy part of the Remote Learning packet your teacher sent home. He (she) should still complete the Math and handwriting assignments, and do their best!

Please turn this packet, with any others, to your child's teacher on the first school day after the snow day.

If you have any questions, please feel free to contact your child's EL teacher via Seesaw or email.

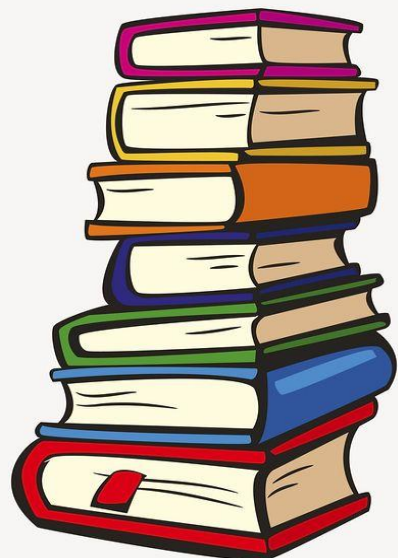

Remote Learning, Day 1

Your child will need some help listening to him (her) speak, name the cards, and reading some directions.

We appreciate your help!

Parent signature

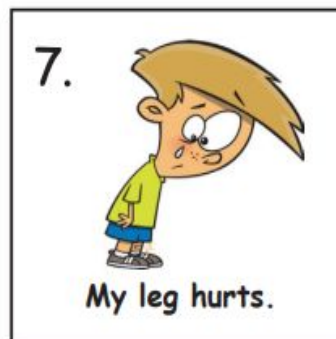

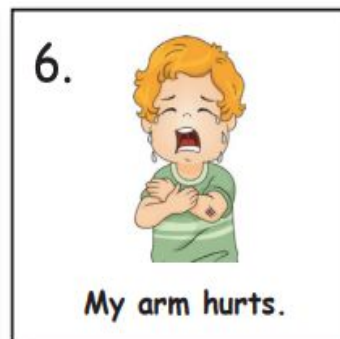

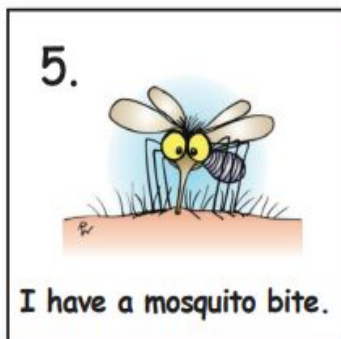

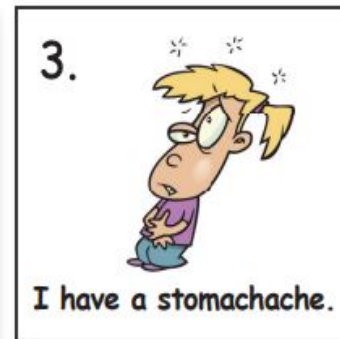

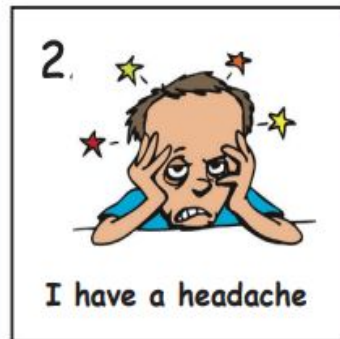

Date _____

Speaking Practice

Practice until students can say the words individually without help.

What's wrong?

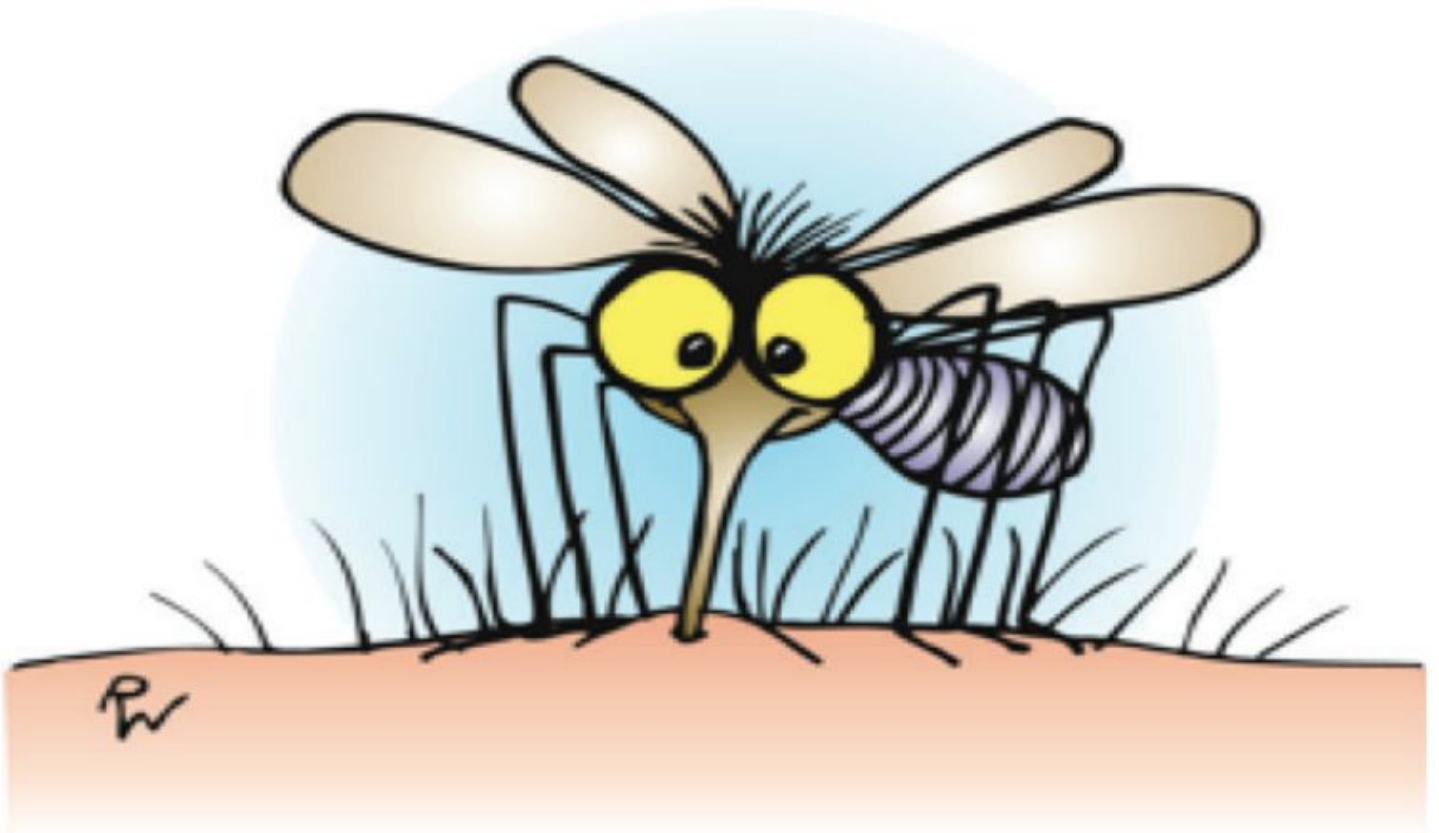

Listening Practice

Practice the questions together and then check in with students individually on their listening.

Sign or Stamp

1. What's wrong?
2. Why is the princess happy?
3. What do you wear in January?
4. What time do you go to school?

Write 2 questions and 2 answers using the sentence structure.

What's wrong?

1.

I have a cold.

2.

I have a headache

3.

I have a stomachache.

4.

I have the runs.

5.

I have a mosquito bite.

6.

My arm hurts.

Listen to an adult reading the text to you. Circle all the words with short /o/sounds you hear.

Bots are cool robots that can do all sorts of things. Some bots clean floors or cut grass, while others help us with shopping or homework. You can even find bots in factories making cars and toys! Bots use sensors and computers to sense the world around them and make decisions.

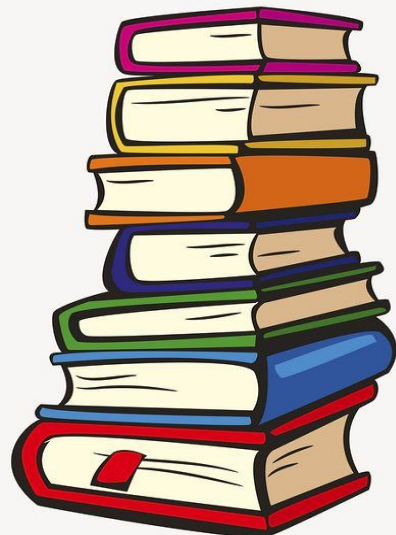

Remote Learning, Day 3

Your child will need some help listening to him (her) speak, name the cards, and reading some directions.

We appreciate your help!
